PROXY STATEMENT
FOR THE 2017 ANNUAL MEETING OF SHAREHOLDERS
TO BE HELD ON [*],[*], 2017

INFORMATION CONCERNING THE ANNUAL MEETING

General

The enclosed proxy is solicited by the Board of Directors (the “Board”) of Tonix Pharmaceuticals Holding Corp. (the “Company”), for use at the Annual Meeting of the Company’s shareholders to be held at the offices of Sichenzia Ross Ference Kesner LLP at 61 Broadway, 32nd Floor, New York, New York 10006 on [*], 2017, at 10:00 a.m. local time and at any adjournments thereof. Whether or not you expect to attend the meeting in person, please vote your shares as promptly as possible to ensure that your vote is counted. The proxy materials will be furnished to shareholders on or about [*], 2017.

Revocability of Proxy and Solicitation

Any shareholder executing a proxy that is solicited hereby has the power to revoke it prior to the voting of the proxy. Revocation may be made by attending the Annual Meeting and voting the shares of stock in person, or by delivering to the Secretary of the Company at the principal office of the Company prior to the Annual Meeting a written notice of revocation or a later-dated, properly executed proxy. Solicitation of proxies may be made by directors, officers and other employees of the Company by personal interview, telephone, facsimile transmittal or electronic communications. No additional compensation will be paid for any such services. This solicitation of proxies is being made by the Company which will bear all costs associated with the mailing of this proxy statement and the solicitation of proxies.

Record Date

Shareholders of record at the close of business on April 24, 2017, will be entitled to receive notice of, attend and vote at the meeting.

Action to be Taken Under Proxy

Unless otherwise directed by the giver of the proxy, the persons named in the form of proxy, namely, Seth Lederman, our Chief Executive Officer, and Bradley Saenger, our Chief Financial Officer, or either one of them who acts, will vote:

- FOR the election of the eight director nominees named in the Proxy Statement to hold office until the next annual meeting of shareholders;
- FOR ratification of the appointment of EisnerAmper LLP as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2017;
- FOR approval of the Tonix Pharmaceuticals Holding Corp. 2017 Stock Incentive Plan;
- FOR approval of an amendment to the Company’s Articles of Incorporation, as amended, to increase the Company’s authorized shares of common stock from 15,000,000 to 150,000,000;
- FOR approval of an amendment to the Company’s Articles of Incorporation, as amended, to increase the maximum size of the board of directors;
- FOR approval of an amendment to the Company’s Articles of Incorporation, as amended, to clarify that, to the fullest extent permitted by Nevada law, our directors or officers shall not be personally liable to us or our shareholders for damages for breach of such director’s or officer’s fiduciary duty;
- FOR approval of an amendment to the Company’s Articles of Incorporation, as amended, to clarify that advancement of expenses is required in connection with any indemnification claim; and
- According to their discretion, on the transaction of such other matters as may properly come before the meeting or any adjournment there.

Should any nominee named herein for election as a director become unavailable for any reason, it is intended that the persons named in the proxy will vote for the election of such other person in his stead as may be designated by the Board. The Board is not aware of any reason that might cause any nominee to be unavailable.

Who is Entitled to Vote; Vote Required; Quorum

As of April 24, 2017, there were [*] shares of common stock issued and outstanding, which constitutes all of the outstanding capital stock of the Company. Shareholders are entitled to one vote for each share of common stock held by them. Except as specified disclosed herein, all share and per share amounts contained in this proxy statement reflect the 1-for-10 reverse stock split the Company effected on March 17, 2017.

One-third (1/3) of the outstanding shares, or [*] shares, present in person or represented by proxy, will constitute a quorum at the meeting. For purposes of the quorum and the discussion below regarding the vote necessary to take shareholder action, shareholders of record who are present at the Annual Meeting in person or by proxy and who abstain, including brokers holding customers' shares of record who cause abstentions to be recorded at the meeting, are considered shareholders who are present and entitled to vote and are counted towards the quorum.

Brokers holding shares of record for customers generally are not entitled to vote on "non-routine" matters, unless they receive voting instructions from their customers. As used herein, "uninstructed shares" means shares held by a broker who has not received such instructions from its customers on a proposal. A "broker non-vote" occurs when a nominee holding uninstructed shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that non-routine matter. In connection with the treatment of abstentions and broker non-votes, the proposals at this meeting to (i) elect directors, (ii) approve the 2017 Stock Incentive Plan, (iii) approve an amendment to the Company's Articles of Incorporation, as amended, to increase the maximum size of the board of directors, (iv) approve an amendment to the Company's Articles of Incorporation, as amended, to clarify that, to the fullest extent permitted by Nevada law, our directors or officers shall not be personally liable to us or our shareholders for damages for breach of such director's or officer's fiduciary duty, and (v) approve an amendment to the Company's Articles of Incorporation, as amended, to clarify that advancement of expenses is required in connection with any indemnification claim, are considered "non-routine" matters, and brokers are not entitled to vote uninstructed shares with respect to these proposals. Only the proposals to (i) ratify the appointment of EisnerAmper LLP as the Company's independent registered public accounting firm and (ii) approve an amendment to the Company's Articles of Incorporation, as amended, to increase the Company's authorized shares of common stock from 15,000,000 to 150,000,000, are routine matters that brokers are entitled to vote shares without receiving instructions.

Determination of whether a matter specified in the Notice of Annual Meeting of Shareholders has been approved will be determined as follows:

- Those persons will be elected directors who receive a plurality of the votes cast at the Meeting in person or by proxy and entitled to vote on the election. Accordingly, abstentions or directions to withhold authority will have no effect on the outcome of the vote;
- The affirmative vote of the holders of a majority of the total outstanding shares as of the record date is necessary to approve the proposals to amend the Articles of Incorporation to (i) increase the number of authorized shares of common stock, (ii) increase the maximum size of the board of directors, (iii) clarify that, to the fullest extent permitted by Nevada law, our directors or officers shall not be personally liable to us or our shareholders for damages for breach of such director's or officer's fiduciary duty, and (iv) clarify that advancement of expenses is required in connection with any indemnification claim. Accordingly, abstentions and broker non-votes with respect to any such matter will have the effect of a vote against such matter; and
- For each other matter specified in the Notice of Annual Meeting of Shareholders, the affirmative vote of a majority of the shares of common stock cast at the meeting in person or by proxy on such matter is required for approval. Abstentions and broker non-votes will be considered present but will not be counted as votes cast and, therefore, will have no effect on the outcome of the matter.

Directions to withhold authority to vote for directors, abstentions and broker non-votes will be counted for purposes of determining whether a quorum is present for the Meeting.

Shareholder of Record: Shares Registered in Your Name

If on April 24, 2017 your shares were registered directly in your name with Tonix’s transfer agent, VStock Transfer, LLC, then you are a shareholder of record. As a shareholder of record, you may vote in person at the meeting or vote by proxy. Whether or not you plan to attend the meeting, we urge you to fill out and return the enclosed proxy.

Beneficial Owner: Shares Registered in the Name of a Broker or Bank

If on April 24, 2017, your shares were held in an account at a brokerage firm, bank, dealer, or other similar organization, rather than in your name, then you are the beneficial owner of shares held in “street name” and these proxy materials are being forwarded to you by that organization. The organization holding your account is considered to be the shareholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to direct your broker or other agent regarding how to vote the shares in your account. You are also invited to attend the 2017 Annual Meeting. However, since you are not the shareholder of record, you may not vote your shares in person at the meeting unless you request and obtain a valid proxy from your broker or other agent.

What am I voting on?

The following matters are scheduled for a vote:

1. To elect the eight director nominees named in the Proxy Statement to hold office until the next annual meeting of shareholders;

2. To ratify the appointment of EisnerAmper LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2017;
3. To approve the Tonix Pharmaceuticals Holding Corp. 2017 Stock Incentive Plan;

7. To approve an amendment to the Company's Articles of Incorporation, as amended, to clarify that advancement of expenses is required in connection with any indemnification claim; and
8. To act on such other matters as may properly come before the meeting or any adjournment there.

The Board is not currently aware of any other business that will be brought before the 2017 Annual Meeting.

How do I vote?

You may vote "**For**" all the nominees to the Board, you may "**Withhold**" your vote for all nominees or you may vote "**For**" all nominees except for any nominee(s) you specify. For the other matters to be voted on, you may vote "**For**" or "**Against**" or abstain from voting. The procedures for voting are fairly simple:

Shareholder of Record: Shares Registered in Your Name

If you are a shareholder of record as of the Record Date, you may vote in person at the 2017 Annual Meeting or vote by proxy using the enclosed proxy card. Whether or not you plan to attend the meeting, we urge you to vote by proxy to ensure your vote is counted. You may still attend the meeting and vote in person even if you have already voted by proxy.

- To vote in person, come to the Annual Meeting and we will give you a ballot when you arrive. You should be prepared to present photo identification for admittance. A list of shareholders eligible to vote at the Annual Meeting will be available for inspection at the 2017 Annual Meeting and for a period of ten days prior to the Annual Meeting during regular business hours at our principal executive offices, which are located at 509 Madison Avenue, Suite 306, New York, New York 10022.
- To vote using the proxy card, simply complete, sign and date the enclosed proxy card and return it promptly in the envelope provided. If you return your completed and signed proxy card to us before the Annual Meeting, we will vote your shares as you direct.

Beneficial Owner: Shares Registered in the Name of Broker or Bank

If you are a beneficial owner of shares registered in the name of your broker, bank, or other agent, you should have received voting instructions with these proxy materials from that organization rather than from us. Simply complete and mail your voting instructions as directed by your broker or bank to ensure that your vote is counted. Alternatively, you may be able to vote by telephone or over the Internet by following instructions provided by your broker or bank. To vote in person at the Annual Meeting, you must obtain a valid proxy from your broker, bank, or other agent. Follow the instructions from your broker or bank included with these proxy materials, or contact your broker or bank to request a proxy form.

How many votes do I have?

On each matter to be voted upon, you have one vote for each share of common stock you own as of the Record Date.

What is a quorum for purposes of conducting the 2017 Annual Meeting?

The presence, in person or by proxy, of the holders of one-third (1/3rd) of the issued and outstanding common stock, or [*] shares, entitled to vote at the meeting is necessary to constitute a quorum to transact business. If a quorum is not present or represented at the Annual Meeting, the shareholders entitled to vote thereat, present in person or by proxy, may adjourn the Annual Meeting from time to time without notice or other announcement until a quorum is present or represented.

What if I return a proxy card but do not make specific choices?

If you return a signed and dated proxy card without marking any voting selections, your shares will be voted “**FOR**” the election of each of the eight (8) nominees for director, “**FOR**” the ratification of EisnerAmper LLP as independent registered public accountants of the Company for its fiscal year ending December 31, 2017, “**FOR**” approval of the Tonix Pharmaceuticals Holding Corp. 2017 Stock Incentive Plan; “**FOR**” approval of an amendment to the Company’s Articles of Incorporation, as amended, to increase the Company’s authorized shares of common stock from 15,000,000 to 150,000,000; “**FOR**” approval of an amendment to the Company’s Articles of Incorporation, as amended, to increase the maximum size of the board of directors; “**FOR**” approval of an amendment to the Company’s Articles of Incorporation, as amended, to clarify that, to the fullest extent permitted by Nevada law, our directors or officers shall not be personally liable to us or our shareholders for damages for breach of such director’s or officer’s fiduciary duty; “**FOR**” approval of an amendment to the Company’s Articles of Incorporation, as amended, to clarify that advancement of expenses is required in connection with any indemnification claim; and “**FOR**” approval of any adjournment of the 2017 Annual Meeting, if necessary or appropriate, to transact such other business as may properly come before the meeting and all adjournments and postponements thereof; and if any other matter is properly presented at the meeting, your proxy holder (one of the individuals named on your proxy card) will vote your shares using his best judgment.

How does the Board recommend that I vote?

Our Board recommends that you vote your shares “**FOR**” the election of each of the eight (8) nominees for director, “**FOR**” the ratification of EisnerAmper LLP as independent registered public accountants of the Company for its fiscal year ending December 31, 2017, “**FOR**” approval of the Tonix Pharmaceuticals Holding Corp. 2017 Stock Incentive Plan; “**FOR**” approval of an amendment to the Company’s Articles of Incorporation, as amended, to increase the Company’s authorized shares of common stock from 15,000,000 to 150,000,000; “**FOR**” approval of an amendment to the Company’s Articles of Incorporation, as amended, to increase the maximum size of the board of directors; “**FOR**” approval of an amendment to the Company’s Articles of Incorporation, as amended, to clarify that, to the fullest extent permitted by Nevada law, our directors or officers shall not be personally liable to us or our shareholders for damages for breach of such director’s or officer’s fiduciary duty; and “**FOR**” approval of an amendment to the Company’s Articles of Incorporation, as amended, to clarify that advancement of expenses is required in connection with any indemnification claim. Unless you provide other instructions on your proxy card, the persons named as proxy holders on the proxy card will vote in accordance with the recommendations of the Board as set forth in this Proxy Statement.

Who is paying for this proxy solicitation?

We will bear the cost of solicitation of proxies. Proxies may be solicited by mail or personally by our directors, officers or employees, none of whom will receive additional compensation for such solicitation. We have retained Alliance Advisors, LLC to assist in the solicitation of proxies at an estimated cost of approximately \$6,000, plus reasonable expenses. Those holding shares as of record for the benefit of others, or nominee holders, are being asked to distribute proxy soliciting materials to, and request voting instructions from, the beneficial owners of such shares. We will reimburse nominee holders for their reasonable out-of-pocket expenses.

What does it mean if I receive more than one set of proxy materials?

If you receive more than one set of proxy materials, your shares may be registered in more than one name or in different accounts. Please complete, sign and return **each** proxy card to ensure that all of your shares are voted.

I share the same address with another Tonix Pharmaceuticals Holding Corp. shareholder. Why has our household only received one set of proxy materials?

The SEC’s rules permit us to deliver a single set of proxy materials to one address shared by two or more of our shareholders. This practice, known as “householding,” is intended to reduce the Company’s printing and postage costs. We have delivered only one set of proxy materials to shareholders who hold their shares through a bank, broker or other holder of record and share a single address, unless we received contrary instructions from any shareholder at that address. However, any such street name holder residing at the same address who wishes to receive a separate copy of the proxy materials may make such a request by contacting the bank, broker or other holder of record, or Broadridge Financial Solutions, Inc. at (800) 542-1061 or in writing at Broadridge, Householding Department, 51 Mercedes Way, Edgewood, NY 11717. Street name holders residing at the same address who would like to request householding of Company materials may do so by contacting the bank, broker or other holder of record or Broadridge at the phone number or address listed above.

Can I change my vote after submitting my proxy?

Yes. You can revoke your proxy at any time before the final vote at the meeting. If you are the record holder of your shares, you may revoke your proxy in any one of three ways:

- You may submit another properly completed proxy card with a later date;
- You may send a timely written notice that you are revoking your proxy to the Company at 509 Madison Avenue, Suite 306, New York, New York 10022, Attn: Chief Financial Officer; or

- You may attend the Annual Meeting and vote in person. Simply attending the meeting will not, by itself, revoke your proxy.

If your shares are held by your broker or bank as a nominee or agent, you should follow the instructions provided by your broker or bank.

What are “broker non-votes”?

Broker non-votes occur when a beneficial owner of shares held in “street name” does not give instructions to the broker or nominee holding the shares as to how to vote on matters deemed “non-routine.” Generally, if shares are held in street name, the beneficial owner of the shares is entitled to give voting instructions to the broker or nominee holding the shares. If the beneficial owner does not provide voting instructions, the broker or nominee can still vote the shares with respect to matters that are considered to be “routine,” but not with respect to “non-routine” matters. Under the rules and interpretations of the New York Stock Exchange, “non-routine” matters include director elections (whether contested or uncontested) and matters involving a contest or a matter that may substantially affect the rights or privileges of shareholders.

In connection with the treatment of abstentions and broker non-votes, the proposals at this meeting to (i) elect directors, (ii) approve the 2017 Stock Incentive Plan, (iii) approve an amendment to the Company’s Articles of Incorporation, as amended, to increase the maximum size of the board of directors, (iv) approve an amendment to the Company’s Articles of Incorporation, as amended, to clarify that, to the fullest extent permitted by Nevada law, our directors or officers shall not be personally liable to us or our shareholders for damages for breach of such director’s or officer’s fiduciary duty, and (v) approve an amendment to the Company’s Articles of Incorporation, as amended, to clarify that advancement of expenses is required in connection with any indemnification claim, are considered “non-routine” matters, and brokers are not entitled to vote uninstructed shares with respect to these proposals. Only the proposals to (i) ratify the appointment of EisnerAmper LLP as the Company’s independent registered public accounting firm and (ii) approve an amendment to the Company’s Articles of Incorporation, as amended, to increase the Company’s authorized shares of common stock from 15,000,000 to 150,000,000, are routine matters that brokers are entitled to vote shares without receiving instructions.

Our election of directors (Proposal No. 1), approval of the 2017 Stock Incentive Plan (Proposal No. 3), approval of an amendment to the Company’s Articles of Incorporation, as amended, to increase the maximum size of the board of directors (Proposal No. 5), approval of an amendment to the Company’s Articles of Incorporation, as amended, to clarify that, to the fullest extent permitted by Nevada law, our directors or officers shall not be personally liable to us or our shareholders for damages for breach of such director’s or officer’s fiduciary duty (Proposal No. 6), and approval of an amendment to the Company’s Articles of Incorporation, as amended, to clarify that advancement of expenses is required in connection with any indemnification claim (Proposal No. 7) are considered to be “non-routine” matters and as a result, brokers or nominees cannot vote your shares on these proposals in the absence of your direction.

How are votes counted?

Votes will be counted by the inspector of elections appointed for the meeting, who will separately count “**For**,” “**Withhold**” and “**Against**” votes, abstentions and broker non-votes. Abstentions and broker non-votes will not be counted as votes with respect to any matter, but may have the effect of a vote against certain matters to come before the meeting, as described elsewhere in this Proxy.

How many votes are needed to approve each proposal?

For the election of directors, the eight (8) nominees receiving the most “**For**” votes at the meeting in person or by proxy will be elected. The affirmative vote of the holders of a majority of the total outstanding shares as of the record date is necessary to approve the proposals to amend the Articles of Incorporation to (i) increase the number of authorized shares of common stock, (ii) increase the maximum size of the board of directors, (iii) clarify that, to the fullest extent permitted by Nevada law, our directors or officers shall not be personally liable to us or our shareholders for damages for breach of such director’s or officer’s fiduciary duty, and (iv) clarify that advancement of expenses is required in connection with any indemnification claim. Approval of all other matters requires the affirmative vote of a majority of the votes cast on the applicable matter at the Annual Meeting in person or by proxy.

Is my vote kept confidential?

Proxy instructions, ballots and voting tabulations that identify individual shareholders are handled in a manner that protects your voting privacy. Your vote will not be disclosed either within the Company or to third parties, except:

- as necessary to meet applicable legal requirements;
- to allow for the tabulation and certification of votes; and
- to facilitate a successful proxy solicitation.

Occasionally, shareholders provide written comments on their proxy cards, which may be forwarded to the Company's management and the Board.

How can I find out the results of the voting at the Annual Meeting?

Preliminary voting results will be announced at the Annual Meeting. Final voting results will be discussed in a Form 8-K filed after the Annual Meeting.

PROPOSAL NO. 1

ELECTION OF DIRECTORS

Information about the Nominees

At the Annual Meeting, the shareholders will elect eight directors to serve until the next annual meeting of Shareholders or until their respective successors are elected and qualified. In the event any nominee is unable or unwilling to serve as a director at the time of the Annual Meeting, the proxies may be voted for the balance of those nominees named and for any substitute nominee designated by the present Board or the proxy holders to fill such vacancy, or for the balance of the nominees named without nomination of a substitute, or the size of the Board may be reduced in accordance with the Bylaws of the Company. The Board has no reason to believe that any of the persons named below will be unable or unwilling to serve as a nominee or as a director if elected.

Assuming a quorum is present, the eight nominees receiving the highest number of affirmative votes of shares entitled to be voted for them will be elected as directors of the Company for the ensuing year. Unless marked otherwise, proxies received will be voted "FOR" the election of each of the eight nominees named below. In the event that additional persons are nominated for election as directors, the proxy holders intend to vote all proxies received by them in such a manner as will ensure the election of as many of the nominees listed below as possible, and, in such event, the specific nominees to be voted for will be determined by the proxy holders. All of the director nominees currently serve as directors.

Board Independence

The Board has determined that (i) Seth Lederman, has a relationship which, in the opinion of the Board, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and is not an "independent director" as defined in the Marketplace Rules of The NASDAQ Stock Market and (ii) Stuart Davidson, Patrick Grace, Donald Landry, Ernest Mario, Charles Mather, John Rhodes and Samuel Saks are each an independent director as defined in the Marketplace Rules of The NASDAQ Stock Market.

Board Leadership Structure

Our CEO also serves as the chairman of the Board. An independent director serves as the Board's lead director. This structure allows one person to speak for and lead both the Company and the Board, while also providing for effective independent board oversight through an independent lead director. Having Dr. Lederman, our CEO, serve as Chairman creates clear and unambiguous authority, which is essential to effective management. Our Board and management can respond more effectively to a clearer line of authority. By designating our CEO as its Chairman, our Board also sends as an important signal to our employees and shareholders about who is accountable. Further, since Dr. Lederman is the founder of our Company and is an inventor on key patents and patent applications underlying our programs, we believe that Dr. Lederman is best-positioned to set our Board's agenda and provide leadership.

We have established the position of lead director, which is filled by Mr. Rhodes. The lead director has the following responsibilities, as detailed in the Lead Director charter, adopted by the Board (and also performs any other functions the Board may request):

- **Board leadership** — provides leadership to the Board in any situation where the chairman’s role may be, or may be perceived to be, in conflict, and also chairs meetings when the chairman is absent;
- **Leadership of independent director meetings** — leads independent director meetings, which take place without any management directors or Tonix employees present;
- **Additional meetings** — calls additional independent director meetings as needed;
- **Chairman-independent director liaison** — regularly meets with the chairman and serves as liaison between the chairman and the independent directors;
- **Stockholder communications** — makes himself available for direct communication with our stockholders;
- **Board agenda, schedule & information** — works with the chairman regarding meeting agendas, meeting schedules and information sent to directors for Board meetings, including the quality, quantity, appropriateness and timeliness of such information; and
- **Advisors and consultants** — recommends to the Board the retention of outside advisors and consultants who report directly to the Board on Board-wide issues.

Board Role in Risk Oversight

Risk is an integral part of the Board and Board committee deliberations throughout the year. While the Board has the ultimate oversight responsibility for the risk management process, various committees of the Board also have responsibility for risk management. In particular, the Audit Committee focuses on financial risk, including internal controls, and receives financial risk assessment reports from management. Risks related to the compensation programs are reviewed by the Compensation Committee. The Board is advised by these committees of significant risks and management’s response through periodic updates.

Stockholder Communications with the Board

The Company’s stockholders may communicate with the Board, including non-executive directors or officers, by sending written communications addressed to such person or persons in care of Tonix Pharmaceuticals Holding Corp., Attention: Secretary, 509 Madison Avenue, Suite 306, New York, New York 10022. All communications will be compiled by the Secretary and submitted to the addressee. If the Board modifies this process, the revised process will be posted on the Company’s website.

The Nominating and Corporate Governance Committee shall identify and evaluate the qualifications of all candidates for nomination for election as directors. In addition, the Nominating and Corporate Governance Committee is responsible for developing, recommending and evaluating corporate governance standards and a code of business conduct and ethics.

Nomination of Directors

As provided in its charter and our Company’s corporate governance principles, the Nominating and Corporate Governance Committee is responsible for identifying individuals qualified to become directors. The Nominating and Corporate Governance Committee seeks to identify director candidates based on input provided by a number of sources, including (1) the Nominating and Corporate Governance Committee members, (2) our other directors, (3) our shareholders, (4) our Chief Executive Officer or Chairman, and (5) third parties such as professional search firms. In evaluating potential candidates for director, the Nominating and Corporate Governance Committee considers the entirety of each candidate’s credentials.

Qualifications for consideration as a director nominee may vary according to the particular areas of expertise being sought as a complement to the existing composition of the Board. However, at a minimum, candidates for director must possess:

- the ability to exercise sound judgment;
- the ability to make independent analytical inquiries;
- a willingness and ability to devote adequate time and resources to diligently perform Board and committee duties; and
- the appropriate and relevant business experience and acumen.

In addition to these minimum qualifications, the Nominating and Corporate Governance Committee also takes into account when considering whether to nominate a potential director candidate the following factors:

- whether the person possesses specific industry expertise and familiarity with general issues affecting our business;
- whether the person's nomination and election would enable the Board to have a member that qualifies as an "audit committee financial expert" as such term is defined by the SEC in Item 401 of Regulation S-K;
- whether the person would qualify as an "independent" director under the listing standards of the Nasdaq Stock Market;
- the importance of continuity of the existing composition of the Board to provide long term stability and experienced oversight; and
- the importance of diversified Board membership, in terms of both the individuals involved and their various experiences and areas of expertise.

The Nominating and Corporate Governance Committee will consider director candidates recommended by shareholders provided such recommendations are submitted in accordance with the procedures set forth below. In order to provide for an orderly and informed review and selection process for director candidates, the Board has determined that shareholders who wish to recommend director candidates for consideration by the Nominating and Corporate Governance Committee must comply with the following:

- The recommendation must be made in writing to the Corporate Secretary at Tonix Pharmaceuticals Holding Corp.;
- The recommendation must include the candidate's name, home and business contact information, detailed biographical data and qualifications, information regarding any relationships between the candidate and the Company within the last three years and evidence of the recommending person's ownership of the Company's common stock;
- The recommendation shall also contain a statement from the recommending shareholder in support of the candidate; professional references, particularly within the context of those relevant to board membership, including issues of character, judgment, diversity, age, independence, expertise, corporate experience, length of service, other commitments and the like; and personal references; and
- A statement from the shareholder nominee indicating that such nominee wants to serve on the Board and could be considered "independent" under the Rules and Regulations of the Nasdaq Stock Market and the SEC, as in effect at that time.

All candidates submitted by shareholders will be evaluated by the Nominating and Corporate Governance Committee according to the criteria discussed above and in the same manner as all other director candidates.

PROPOSAL NO. 3

APPROVAL OF THE TONIX PHARMACEUTICALS HOLDING CORP. 2017 STOCK INCENTIVE PLAN

Overview

On April 11, 2017, the Board adopted, upon the recommendation of the Compensation Committee, the Tonix Pharmaceuticals Holding Corp. 2017 Stock Incentive Plan (the "2017 Plan"), subject to and effective upon shareholder approval at the annual meeting. We are asking our shareholders to approve the 2017 Plan in order to permit the Company to use the 2017 Plan to achieve the Company's performance, recruiting, retention and incentive goals.

The 2017 Plan includes a variety of forms of awards, including stock options, stock appreciation rights, restricted stock, restricted stock units, cash awards and dividend equivalents to allow the Company to adapt its incentive compensation program to meet the needs of the Company in the changing business environment in which the Company operates.

We strongly believe that the approval of the 2017 Plan is essential to our continued success. As a clinical-stage biopharmaceutical company with limited cash focused on funding our development programs, we believe that equity, in particular stock option awards, is an important and significant component of our employees' compensation. The Board and management further believe that equity awards motivate high levels of performance, align the interests of our employees and shareholders by giving directors, employees and consultants the perspective of an owner with an equity stake in the Company, and provide an effective means of recognizing their contributions to the success of the Company.

As of March 31, 2017, 122,596 shares were available for grant under our only active, outstanding equity compensation plan, our 2016 Stock Incentive Plan (the "2016 Plan"). No shares are available for grant under the 2012 Amended and Restated Incentive Stock Option Plan and the 2014 Stock Incentive Plan (together with the 2016 Plan, the "Prior Plans"). If our stockholders do not approve this proposal, we may be unable to use equity compensation to the extent needed to make our compensation packages competitive and to motivate our employees and we could be required to increase cash compensation to attract, retain and motivate our employees, which may compromise funding of our development programs. The Board and management believe that equity awards are necessary to remain competitive in our industry and are essential to recruiting and retaining the highly qualified employees who help the Company meet its goals. The Board and management believe that the ability to grant equity awards will be important to the future success of the Company and is in the best interests of the Company's shareholders.

Our gross average share usage rate, sometimes referred to as burn rate, over the three years ended December 31, 2016 (calculated as equity-based awards granted under our equity compensation plan for the relevant year, divided by weighted average basic common shares outstanding for that year) is approximately 5.0%. We expect that the proposed share reserve under the 2017 Plan will be sufficient for awards for two or more years. Expectations regarding future share usage could be impacted by a number of factors such as: hiring and promotion activity at the executive level; the rate at which shares are returned to the 2017 Plan reserve upon awards' expiration, forfeiture or cash settlement; the future performance of our stock price; and other factors. While we believe that the assumptions we used are reasonable, future share usage may differ from current expectations.

The potential dilution resulting from issuing all of the proposed 1.28 million shares under the 2017 Plan, when combined with shares subject to outstanding awards under the Prior Plans as of March 31, 2017, would be 18.1% on a fully-diluted basis.

If approved, the 2017 Plan will serve as the successor to our Prior Plans. Assuming shareholders approve the 2017 Plan, the 2017 Plan will be effective as the date of the annual meeting and the Prior Plans will terminate on that date (except with respect to awards previously granted under the Prior Plans that remain outstanding) and no further awards will be granted under the Prior Plans. If the 2017 Plan is not approved, we will continue to make grants under the Prior Plans until all shares available thereunder have been issued or the Prior Plans expire.

We are seeking stockholder approval of the 2017 Plan in order to satisfy certain legal requirements, including requirements of The NASDAQ Stock Market and to make awards under it eligible for beneficial tax treatment. In addition, the Board regards stockholder approval of the 2017 Plan as desirable and consistent with good corporate governance practices.

Best Practices

We have designed the 2017 Plan to include a number of provisions that we believe promote best practices by reinforcing the alignment between equity compensation arrangements for directors, employees and consultants and shareholders' interests. These provisions include, but are not limited to, the following:

2017 Plan Provision	Description of Best Practice
• <i>No Liberal Share Recycling</i>	• Shares will not be recycled for issuance as awards under the 2017 Plan in the following circumstances: shares delivered as a result of the net settlement of an outstanding SAR or stock option; shares used to pay the exercise price or withholding taxes related to an outstanding award; or shares repurchased on the open market with the proceeds of a stock option exercise price.
• <i>No Repricing without Shareholder Approval</i>	• Except in case of certain corporate events, the Company cannot reduce the exercise price of stock options and SARs or buyout for cash underwater options and SARs without the approval of its shareholders.
• <i>No "liberal" Change of Control Definition; No Automatic Single Trigger Acceleration</i>	• The definition of change of control in the 2017 Plan is not "liberal" and, for example, would not occur merely upon shareholder approval of a transaction. A change of control must actually occur in order for the Change of Control provisions in the 2017 Plan to be triggered. In addition, the 2017 Plan does not provide for automatic "single-trigger" acceleration on a change of control transaction.
• <i>Minimum Vesting Requirement Applicable to All Awards</i>	• All awards will vest no earlier than one year from the date of grant (except with respect to a maximum of 5% of the shares under the 2017 Plan).
• <i>Restrictions on Dividends and Dividend Equivalents</i>	• The 2017 Plan prohibits participants from receiving dividends or dividend equivalents before the underlying award vests and does not permit dividends or dividend equivalents to be paid on stock options or SARs.
• <i>Limits on Individual Director Awards per Year</i>	• \$350,000 in total value, either in cash, shares of stock or a combination of cash and stock, provided, however, that in extraordinary circumstances, that limit can be increased to \$500,000.
• <i>Clawback Provision</i>	• Includes language subjecting awards to recovery pursuant to any law, government regulation, stock exchange listing requirement including the SEC clawback rules or Company policy.

Summary of the 2017 Plan

The following is a description of the principal terms of the 2017 Plan. The summary is qualified in its entirety by the full text of the 2017 Plan, which is attached as Appendix A to this Proxy Statement.

General. The 2017 Plan would authorize the grant to eligible individuals of (1) stock options (incentive and nonstatutory), (2) restricted stock, (3) stock appreciation rights, or SARs, (4) restricted stock units, (5) other stock-based awards, and (6) cash-based awards.

Stock Subject to the 2017 Plan. Subject to equitable adjustments for certain corporate events, the maximum number of shares of our common stock that may be issued under the 2017 Plan is 1,280,000 shares, which amount will be (a) reduced by awards granted under the Prior Plans after March 31, 2017, and (b) increased to the extent that awards granted under the 2017 Plan or the Prior Plans are forfeited, expire or are settled for cash (except as otherwise provided in the 2017 Plan). In terms of calculating how many shares are reduced or increased based on activity under the Prior Plans after March 31, 2017, the calculation shall be based on one share for every one share that was subject to an option or SAR and 1.15 shares for every one share that was subject to an award other than an option or SAR.

Substitute awards (awards made or shares issued by the Company in assumption of, or in substitution or exchange for, awards previously granted, or the right or obligation to make future awards, in each case by a company acquired by the Company or any Company subsidiary or with which the Company or any subsidiary combines) will not reduce the shares authorized for grant under the 2017 Plan, nor will shares subject to a substitute award be added to the shares available for issuance or transfer under the 2017 Plan.

No Liberal Share Recycling. Notwithstanding anything to the contrary, any and all stock that is (i) withheld or tendered in payment of an option exercise price; (ii) withheld by the Company or tendered by the grantee to satisfy any tax withholding obligation with respect to any award; (iii) covered by a SAR that it is settled in stock, without regard to the number of shares of stock that are actually issued to the grantee upon exercise; or (iv) reacquired by the Company on the open market or otherwise using cash proceeds from the exercise of options, shall not be added to the maximum number of shares of stock that may be issued under the Plan.

Limits per Participant. With respect to awards intended to qualify as performance-based compensation under Section 162(m) of the Internal Revenue Code (the "Code"), the 2017 Plan provides that, subject to adjustment as provided in the plan, no participant may, in any fiscal year (i) be granted options and SARs with respect to more than 750,000 shares of our common stock, (ii) earn more than 500,000 shares of our common stock under awards (other than options and SARs) that are denoted in shares, or (iii) earn more than \$5,000,000 under awards that are denominated in cash.

In applying the foregoing limits, (a) all awards of the specified type granted to the same participant in the same fiscal year will be aggregated and made subject to one limit; (b) the limits applicable to options and SARs refer to the number of shares of stock subject to those awards; (c) the share limit under clause (ii) refers to the maximum number of shares of stock that may be delivered under an Award or Awards of the type specified in clause (ii) assuming a maximum payout; (d) the dollar limit under clause (iii) refers to the maximum dollar amount payable under an award or awards of the type specified in clause (iii) assuming a maximum payout, (e) the respective limits for Awards of the type specified in clause (ii) and clause (iii) are only applicable to awards that are intended to comply with the performance-based exception under Section 162(m) of the Code, (f) if the Compensation Committee determines to settle a full-value award specified in clause (ii) in cash, the maximum aggregate amount of cash that may be paid pursuant to such awards to any participant in a fiscal year shall be equal to the per share fair market value as of the relevant payment or settlement date multiplied by the number of shares set forth in clause (ii), and (g) each of the specified limits in clauses (i), (ii) and (iii) is multiplied by two (2) for awards granted to a participant in the year employment commences.

In addition, the maximum number of shares of stock subject to awards granted during a single fiscal year to any non-employee director, taken together with any cash fees paid to such non-employee director during the fiscal year, shall not exceed \$350,000 in total value (calculating the value of any such awards based on the grant date fair value of such awards for financial reporting purposes); provided, that the Board may make exceptions to this limit for individual non-employee directors in extraordinary circumstances as the Board may determine in its sole discretion, so long as the aggregate limit does not exceed \$500,000 in total value during a fiscal year.

Eligibility. Employees of, and consultants to, our Company or its affiliates and members of our Board are eligible to receive equity awards under the Plan. Only our employees, and employees of our parent and subsidiary corporations, if any, are eligible to receive Incentive Stock Options. Employees, directors (including non-employee directors) and consultants of or for our Company and its affiliates are eligible to receive Nonstatutory Stock Options, Restricted Stock, Restricted Stock Units and any other form of award the Plan authorizes. As of March 31, 2017, 18 employees, approximately 100 consultants and seven non-employee directors of the Company and its subsidiaries were eligible to receive awards under the 2016 Plan. During the fiscal year ended December 31, 2016, 31 employees and seven directors received awards under our 2014 Plan and/or 2016 Plan.

Purpose. The purpose of the Plan is to promote the interests of the Company and its stockholders by providing executive officers, employees, non-employee directors, and key advisors of the Company and its defined subsidiaries with appropriate incentives and rewards to encourage them to enter into and remain in their positions with the Company and to acquire a proprietary interest in the long-term success of the Company, as well as to reward the performance of these individuals in fulfilling their personal responsibilities for long-range and annual achievements.

Administration. Unless otherwise determined by the Board, the Compensation Committee administers the 2017 Plan. The Compensation Committee is composed solely of “non-employee directors” within the meaning of Rule 16b-3 under the Securities Exchange Act of 1934, as amended (the “Exchange Act”), “outside directors” within the meaning of Section 162(m) of the Code, and “independent directors” within the meaning of NASDAQ listing standards. The Compensation Committee has the power, in its discretion, to grant awards under the 2017 Plan, to select the individuals to whom awards are granted, to determine the terms of the grants, to interpret the provisions of the 2017 Plan and to otherwise administer the 2017 Plan. Except as prohibited by applicable law or stock exchange rules, the Compensation Committee may delegate all or any of its responsibilities and powers under the 2017 Plan to one or more of its members, including, without limitation, the power to designate participants and determine the amount, timing and term of awards under the 2017 Plan.

The 2017 Plan provides that members of the Compensation Committee shall be indemnified and held harmless by the Company from any loss or expense resulting from claims and litigation arising from actions related to the 2017 Plan.

Term. If approved, the 2017 Plan is effective [*,] 2017 and awards may be granted through [*,] 2027. No awards may be granted under the 2017 Plan subsequent to that date. The Board may suspend or terminate the 2017 Plan without stockholder approval or ratification at any time or from time to time.

Amendments. Subject to the terms of the 2017 Plan, the Compensation Committee as administrator has the sole discretion to interpret the provisions of the 2017 Plan and outstanding awards. Our Board generally may amend or terminate the 2017 Plan at any time and for any reason, except that no amendment, suspension, or termination may impair the rights of any participant without his or her consent, and except that approval of our shareholders is required for any amendment which:

- Increases the number of shares of Common Stock subject to the 2017 Plan (other than in the context of equitable adjustments);
- Decreases the price at which grants may be granted;
- Reprices existing options or SARs; or
- Changes the class of persons eligible to receive grants under the 2017 Plan.

Repricing Prohibition. Other than in connection with certain corporate events, the Compensation Committee shall not, without the approval of the Company’s stockholders, (a) lower the option price per share of an option or SAR after it is granted, (b) cancel an Option or SAR when the exercise price per share exceeds the fair market value of one share in exchange for cash or another award (other than in connection with a change of control), or (c) take any other action with respect to an Option or SAR that would be treated as a repricing under the rules and regulations of the principal U.S. national securities exchange on which the Company’s shares are then listed.

Minimum Vesting Requirement. Notwithstanding any other provision of the 2017 Plan to the contrary and subject to the immediately following proviso, equity-based awards granted under the 2017 Plan shall vest no earlier than the first anniversary of the date the award is granted; provided, however, that the Committee may grant awards without regard to the foregoing minimum vesting requirement with respect to a maximum of five percent (5%) of the available shares authorized for issuance under the 2017 Plan. For the avoidance of doubt, this minimum vesting requirement shall not be construed to limit the Committee’s discretion to provide for accelerated exercisability or vesting of an award, including in cases of death, disability or a change of control.

Restrictions on Dividends and Dividend Equivalents. In no event will a participant be entitled to receive any dividends or dividend equivalents payable with respect to unvested awards, if any, prior to the time that the underlying awards vest and no dividends or dividend equivalents may be paid with respect to options or SARs prior to their exercise or settlement, as applicable.

Adjustments upon Changes in Capitalization. In the event of any merger, reorganization, consolidation, recapitalization, dividend or distribution (whether in cash, shares or other property, other than a regular cash dividend), stock split, reverse stock split, spin-off or similar transaction or other change in our corporate structure affecting our common stock or the value thereof, appropriate adjustments to the 2017 Plan and awards will be made as the Board determines to be equitable or appropriate, including adjustments in the number and class of shares of stock available for awards under the 2017 Plan, the number, class and exercise or grant price of shares subject to awards outstanding under the 2017 Plan, and the limits on the number of awards that any person may receive.

Change of Control. The Compensation Committee may, at the time an award is made or at any time prior to, coincident with or after the time of a Change of Control (as defined in the 2017 Plan):

- Provide for the adjustment of any performance goals as the Compensation Committee deems necessary or appropriate to reflect the Change of Control;
- provide for the cancellation of any awards then outstanding if the surviving entity or acquiring entity (or the surviving or acquiring entity’s parent company) in the Change of Control replaces the awards with new rights of substantially equivalent value, as determined by the Compensation Committee. For an award to be validly assumed by a successor for purpose of this section, it must (x) provide such participant with rights and entitlements substantially equivalent to or better than the rights, terms and conditions applicable under such award, including, but not limited to, an identical or better exercise or vesting schedules; (y) have substantially equivalent value to such award (determined at the time of the Change of Control); and (z) be based on stock that is traded on an established U.S. securities market or an established securities market outside the United States upon which the participant could readily trade the stock without administrative burdens or complexities;

- provide that upon an involuntary termination of a participant's employment as a result of a Change of Control, any time periods shall accelerate, and any other conditions relating to the vesting, exercise, payment or distribution of an award shall be waived; or
- provide that awards shall be purchased for an amount of cash equal to the amount that could have been obtained for the shares covered by a restricted stock award if it had been vested and or by an option or SAR if it had been exercised at the time of the Change of Control, provided however that awards outstanding as of the date of the Change of Control may be cancelled and terminated without payment if the consideration payable with respect to one share of stock in connection with the Change of Control is less than the exercise price or grant price applicable to such award, as applicable.

If the Change of Control results in the involuntary termination of participant's employment, outstanding awards will immediately vest, become fully exercisable and may thereafter be exercised.

Generally, under the 2017 Plan, a Change of Control occurs upon (i) the consummation of a reorganization, merger or consolidation of our Company with or into another entity, pursuant to which our stockholders immediately prior to the transaction do not own more than 50% of the total combined voting power after the transaction, (ii) the consummation of the sale, transfer or other disposition of all or substantially all of our assets, (iii) certain changes in the majority of our Board from those in office on the effective date of the 2017 Plan, (iv) the acquisition of more than 50% of the total combined voting power in our outstanding securities by any person, or (v) the Company is dissolved or liquidated.

Types of Awards

Stock Options. Incentive Stock Options and Nonstatutory Stock Options are granted pursuant to award agreements adopted by our Compensation Committee. Our Compensation Committee determines the exercise price for a stock option, within the terms and conditions of the 2017 Plan; provided, that the exercise price of an Incentive Stock Option cannot be less than 100% of the fair market value of our Common Stock on the date of grant. Options granted under the 2017 Plan vest at the rate specified by our Compensation Committee.

The Compensation Committee determines the term of stock options granted under the 2017 Plan, up to a maximum of 10 years, except in the case of certain Incentive Stock Options, as described below. The Compensation Committee will also determine the length of period during which an optionholder may exercise their options if an optionholder's relationship with us, or any of our affiliates, ceases for any reason; for Incentive Stock Options, this period is limited by applicable law. The Compensation Committee may extend the exercise period in the event that exercise of the option following termination of service is prohibited by applicable securities laws. In no event, however, may an option be exercised beyond the expiration of its term unless the term is extended in accordance with applicable law.

Acceptable consideration for the purchase of Common Stock issued upon the exercise of a stock option will be determined by the Compensation Committee and may include (a) cash or its equivalent, (b) delivering a properly executed notice of exercise of the option to us and a broker, with irrevocable instructions to the broker promptly to deliver to us the amount necessary to pay the exercise price of the option, (c) any other form of legal consideration that may be acceptable to the Compensation Committee or (d) any combination of (a), (b) or (c).

Incentive or Nonstatutory Stock Options. Incentive Stock Options may be granted only to our employees, and the employees of our parent or subsidiary corporations, if any. The Compensation Committee may grant awards of Incentive or Nonstatutory Stock Options that are fully vested on the date made, to any of our employees, directors or consultants. Option Awards are granted pursuant to award agreements adopted by our Compensation Committee. To the extent required by applicable law, the aggregate fair market value, determined at the time of grant, of shares of our Common Stock with respect to Incentive Stock Options that are exercisable for the first time by an optionholder during any calendar year may not exceed \$100,000. To the extent required by applicable law, no Incentive Stock Option may be granted to any person who, at the time of the grant, owns or is deemed to own stock possessing more than 10% of our total combined voting power or that of any of our affiliates unless (a) the option exercise price is at least 110% of the fair market value of the stock subject to the option on the date of grant and (b) the term of the incentive stock option does not exceed five years from the date of grant.

Stock Appreciation Rights. A SAR is the right to receive stock, cash, or other property equal in value to the difference between the grant price of the SAR and the market price of the Company's Common Stock on the exercise date. SARs may be granted independently or in tandem with an Option at the time of grant of the related Option. An SAR granted in tandem with an Option shall be exercisable only to the extent the underlying Option is exercisable. An SAR confers on the grantee a right to receive an amount with respect to each share of Common Stock subject thereto, upon exercise thereof, equal to the excess of (A) the fair market value of one share of Common Stock on the date of exercise over (B) the grant price of the SAR (which in the case of an SAR granted in tandem with an Option shall be equal to the exercise price of the underlying Option, and which in the case of any other SAR shall be such price as the Compensation Committee may determine but in no event shall be less than the fair market value of a share of common stock on the date of grant of such SAR).

Restricted Stock and Restricted Stock Units. Restricted Stock is common stock that the Company grants subject to transfer restrictions and vesting criteria. A Restricted Stock Unit is a right to receive stock or cash equal to the value of a share of stock at the end of a specified period that the Company grants subject to transfer restrictions and vesting criteria. The grant of these awards under the 2017 Plan are subject to such terms, conditions and restrictions as the Compensation Committee determines consistent with the terms of the 2017 Plan.

At the time of grant, the Compensation Committee may place restrictions on Restricted Stock and restricted stock units that shall lapse, in whole or in part, upon the passage of time and/or attainment of Performance Goals. Except to the extent restricted under the award agreement relating to the Restricted Stock, a grantee granted Restricted Stock shall have all of the rights of a stockholder including the right to vote Restricted Stock and the right to receive dividends.

Unless otherwise provided in an award agreement, upon the vesting of a Restricted Stock Unit, there shall be delivered to the grantee, within 30 days of the date on which such award (or any portion thereof) vests, the number of shares of common stock equal to the number of restricted stock units becoming so vested.

Other Stock-Based Awards. The 2017 Plan also allows the Compensation Committee to grant “Other Stock-Based Awards,” which means a right or other interest that may be denominated or payable in, valued in whole or in part by reference to, or otherwise based on, or related to, common stock. Subject to the limitations contained in the 2017 Plan, this includes, without limitation, (i) unrestricted stock awarded as a bonus or upon the attainment of Performance Goals or otherwise as permitted under the 2017 Plan and (ii) a right to acquire stock from the Company containing terms and conditions prescribed by the Compensation Committee. At the time of the grant of Other Stock-Based Awards, the Compensation Committee may place restrictions on the payout or vesting of Other Stock-Based Awards that shall lapse, in whole or in part, upon the passage of time and/or attainment of Performance Goals; provided that if the award is intended to qualify as performance-based compensation under Section 162(m) of the Code, the grant of the Award and the establishment of the Performance Goals shall be made during the period required under Internal Section 162(m) of the Code. Other Stock-Based Awards may not be granted with the right to receive dividend equivalent payments.

Cash-Based Awards. The Compensation Committee may grant Cash-Based Awards under the 2017 Plan that specify the amount of cash to which the award pertains, the conditions under which the award will be vested and exercisable or payable, and such other conditions as the Compensation Committee may determine that are consistent with the terms of the 2017 Plan. At the time of the grant of Cash-Based Awards, the Compensation Committee may place restrictions on the payout or vesting of Cash-Based Awards that shall lapse, in whole or in part, only upon the attainment of Performance Goals, similar to those for Other Stock-Based Awards.

Performance Criteria. With respect to awards intended to qualify as performance-based compensation under Section 162(m) of the Code, a committee of “outside directors” (as defined in Section 162(m) of the Code) with authority delegated by our Board will determine the terms and conditions of such awards, including the performance criteria. The performance goals for restricted stock awards, restricted stock units, cash-based awards or other share-based awards shall be based on the attainment of specified levels of one or any combination of the following:

- the attainment of certain target levels of, or a specified percentage increase in, revenues, earnings, income before taxes and extraordinary items, net income, operating income, earnings before or after deduction for all or any portion of income tax, earnings before interest, taxes, depreciation and amortization or a combination of any or all of the foregoing;
- the attainment of certain target levels of, or a percentage increase in, after-tax or pre-tax profits including, without limitation, that attributable to continuing and/or other operations;
- the attainment of certain target levels of, or a specified increase in, operational cash flow;
- the achievement of a certain level of, reduction of, or other specified objectives with regard to limiting the level of increase in, all or a portion of, the Company’s bank debt or other long-term or short-term public or private debt or other similar financial obligations of the Company, which may be calculated net of such cash balances and/or other offsets and adjustments as may be established by the Compensation Committee;
- earnings per share or the attainment of a specified percentage increase in earnings per share or earnings per share from continuing operations;
- the attainment of certain target levels of, or a specified increase in return on capital employed or return on invested capital;
- the attainment of certain target levels of, or a percentage increase in, after-tax or pre-tax return on stockholders’ equity;
- the attainment of certain target levels of, or a specified increase in, economic value added targets based on a cash flow return on investment formula;
- the attainment of certain target levels in, or specified increases in, the fair market value of the shares of the Company’s common stock;
- the growth in the value of an investment in the Company’s common stock;
- the attainment of a certain level of, reduction of, or other specified objectives with regard to limiting the level in or increase in, all or a portion of controllable expenses or costs or other expenses or costs;
- gross or net sales, revenue and growth of sales revenue (either before or after cost of goods, selling and general administrative expenses, research and development expenses and any other expenses or interest);
- total stockholder return;
- return on assets or net assets;
- return on sales;
- operating profit or net operating profit;
- operating margin;
- gross or net profit margin;
- cost reductions or savings;
- productivity;
- operating efficiency;
- working capital;

- market share;
- customer satisfaction;
- workforce diversity;
- results of clinical trials;
- acceptance of a new drug application by a regulatory body;
- regulatory body approval for commercialization of a product;
- launch of a new drug;
- completion of out-licensing, in-licensing or disposition of product candidates or other acquisition or disposition projects; and
- to the extent that an Award is not intended to comply with Section 162(m) of the Code, other measures of performance selected by the Board.

Performance goals that are financial metrics, may be determined in accordance with United States Generally Accepted Accounting Principles (“GAAP”) or may be adjusted when established to include or exclude any items otherwise includable or excludable under GAAP.

The performance goals may be based solely by reference to our performance or the performance of one or more of our subsidiaries, divisions, business segments or business units, or based upon the relative performance of other companies or upon comparisons of any of the indicators of performance relative to other companies. The authorized committee of outside directors may also exclude under the terms of the performance awards, the impact of an event or occurrence that the committee determines should appropriately be excluded, for the following items: (1) asset write-downs; (2) litigation or claim judgments or settlements; (3) the effect of changes in tax laws, accounting principles, regulations, or other laws or regulations affecting reported results; (4) any reorganization and restructuring programs, including discontinued operations; (5) acquisitions or divestitures; (6) unusual, infrequently occurring, nonrecurring or extraordinary items identified in the Company’s audited financial statements, including footnotes; (7) any reorganization or change in the corporate or capital structures of the Company; (8) foreign exchange gains and losses; (9) business interruption events; (10) annual incentive payments or other bonuses; or (11) capital charges, provided such adjustment occurs in writing not later than 90 days after the commencement of the period of service to which the performance goal relates (and in no event later than the date that 25% of the period of service has elapsed).

In connection with the approval of the 2017 Plan, the stockholders also are being asked to approve the above criteria for purposes of Section 162(m) of the Code.

New Plan Benefits under the 2017 Plan

Because future awards under the 2017 Plan will be granted in the discretion of the Compensation Committee, the type, number, recipients, and other terms of such awards cannot be determined at this time.

U.S. Federal Income Tax Considerations

The following is a brief description of the material United States federal income tax consequences associated with awards under the 2017 Plan. It is based on existing United States laws and regulations, and there can be no assurance that those laws and regulations will not change in the future. Tax consequences in other countries may vary. This information is not intended as tax advice to anyone, including participants in the 2017 Plan.

Stock Options. Neither incentive stock option grants nor non-qualified stock option grants cause any tax consequences to the participant or Tonix at the time of grant. Upon the exercise of a non-qualified stock option, the excess of the market value of the shares acquired over their exercise price is ordinary income to the participant and is deductible by Tonix. The participant’s tax basis for the shares is the market value thereof at the time of exercise. Any gain or loss realized upon a subsequent disposition of the stock will generally constitute capital gain, in connection with which Tonix will not be entitled to a tax deduction.

Upon the exercise of an incentive stock option, the participant will not realize taxable income, but the excess of the fair market value of the stock over the exercise price may give rise to alternative minimum tax. When the stock acquired upon exercise of an incentive stock option is subsequently sold, the participant will recognize income equal to the difference between the sales price and the exercise price of the option. If the sale occurs after the expiration of two years from the grant date and one year from the exercise date, the income will constitute long-term capital gain. If the sale occurs prior to that time, the participant will recognize ordinary income to the extent of the lesser of the gain realized upon the sale or the difference between the fair market value of the acquired stock at the time of exercise and the exercise price; any additional gain will constitute capital gain. Tonix will be entitled to a deduction in an amount equal to the ordinary income recognized by the participant, but no deduction in connection with any capital gain recognized by the participant. If the participant exercises an incentive stock option more than three months after his or her termination of employment due to retirement or other separation other than death or disability, or more than twelve months after his or her termination of employment due to death or permanent disability, he or she is deemed to have exercised a non-qualified stock option.

Compensation realized by participants on the exercise of non-qualified stock options or the disposition of shares acquired upon exercise of any incentive stock options should qualify as performance-based compensation under the Code and thus not be subject to the \$1,000,000 deductibility limit of Section 162(m) of the Code.

Stock Appreciation Rights. A participant granted a stock appreciation right under the 2017 Plan will not recognize income, and Tonix will not be allowed a tax deduction, at the time the award is granted. When the participant exercises the stock appreciation right, the amount of cash and the fair market value of any shares of stock or other consideration received will be ordinary income to the participant and Tonix will be allowed a corresponding federal income tax deduction at that time. Compensation realized by the participant on the exercise of the stock appreciation right should qualify as performance-based compensation under the Code and thus not be subject to the \$1,000,000 deductibility limit of Section 162(m) of the Code.

Restricted Stock. Restricted stock is not taxable to a participant at the time of grant, but instead is included in ordinary income (at its then fair market value) when the restrictions lapse. A participant may elect, however, to recognize income at the time of grant, in which case the fair market value of the restricted shares at the time of grant is included in ordinary income and there is no further income recognition when the restrictions lapse. If a participant makes such an election and thereafter forfeits the restricted shares, he or she will be entitled to no tax deduction, capital loss or other tax benefit. Tonix is entitled to a tax deduction in an amount equal to the ordinary income recognized by the participant, subject to any applicable limitations under Section 162(m) of the Code.

A participant's tax basis for restricted shares will be equal to the amount of ordinary income recognized by the participant. The participant will recognize capital gain (or loss) on a sale of the restricted stock if the sale price exceeds (or is lower than) such basis. The holding period for restricted shares for purposes of characterizing gain or loss on the sale of any shares as long- or short-term commences at the time the participant recognizes ordinary income pursuant to an award. Tonix is not entitled to a tax deduction corresponding to any capital gain or loss of the participant.

Restricted Stock Units. A participant will not recognize income, and Tonix will not be allowed a tax deduction, at the time a restricted stock unit award is granted. Upon receipt of shares of stock (or the equivalent value in cash or any combination of cash and Tonix common stock) in settlement of a restricted stock unit award, a participant will recognize ordinary income equal to the fair market value of the stock and cash received as of that date (less any amount he or she paid for the stock and cash), and Tonix will be allowed a corresponding federal income tax deduction at that time, subject to any applicable limitations under Section 162(m) of the Code.

Performance Awards. A participant will not recognize income, and Tonix will not be allowed a tax deduction, at the time a performance award is granted (for example, when the performance goals are established). Upon receipt of stock or cash (or a combination thereof) in settlement of a performance award, the participant will recognize ordinary income equal to the fair market value of the stock and cash received, and Tonix will be allowed a corresponding federal income tax deduction at that time, subject to any applicable limitations under Section 162(m) of the Code.

Code Section 409A. If an award is subject to Code Section 409A (which relates to nonqualified deferred compensation plans), and if the requirements of Section 409A are not met, the taxable events as described above could apply earlier than described, and could result in the imposition of additional taxes and penalties. All awards that comply with the terms of the 2017 Plan, however, are intended to be exempt from the application of Code Section 409A or meet the requirements of Section 409A in order to avoid such early taxation and penalties.

Tax Withholding. Tonix has the right to deduct or withhold, or require a participant to remit to Tonix, an amount sufficient to satisfy federal, state and local taxes (including employment taxes) required by law to be withheld with respect to any exercise, lapse of restriction or other taxable event arising as a result of the 2017 Plan. The Compensation Committee may, at the time the award is granted or thereafter, require or permit that any such withholding requirement be satisfied, in whole or in part, by delivery of, or withholding from the award, shares having a fair market value on the date of withholding equal to the amount required to be withheld for tax purposes.

PROPOSAL NO. 4

APPROVAL OF AMENDMENT TO ARTICLES OF INCORPORATION TO INCREASE OUR AUTHORIZED SHARES OF COMMON STOCK FROM 15,000,000 TO 150,000,000

Our Board of Directors has approved, subject to shareholder approval, an amendment to our Articles of Incorporation to increase our authorized shares of common stock from 15,000,000 to 150,000,000. The increase in our authorized shares of common stock will become effective upon the filing of the amendment to our Articles of Amendment with the Nevada Secretary of State. If the amendment to increase our authorized shares of common stock is approved by shareholders at the Annual Meeting, we intend to file the amendment to our Articles of Incorporation as soon as practicable following the Annual Meeting.

The form of Articles of Amendment to be filed with the Nevada Secretary of State is set forth as **Appendix B** to this proxy statement (subject to any changes required by applicable law and provided that, since Proposal Nos. 4, 5, 6 and/or 7 will result in changes to the Articles of Incorporation, the Company may file one or more amendments with the Nevada Secretary of State to effect multiple approved proposals).

Outstanding Shares and Purpose of the Proposal

Our Articles of Incorporation currently authorizes us to issue a maximum of 15,000,000 shares of common stock, par value \$0.001 per share, and 5,000,000 shares of preferred stock, \$0.001 par value per share. Our issued and outstanding securities, as of April 17, 2017, on a fully diluted basis, are as follows:

- 7,483,776 shares of common stock;
- 731,194 shares of common stock issuable upon the exercise of warrants outstanding;
- 307,427 shares of common stock issuable upon the exercise of options outstanding;
- 122,596 shares of common stock reserved for future grants, awards and issuances under our current equity compensation plans;
- 5,625 shares of common stock issuable upon the vesting of restricted stock units outstanding; and
- 19,449 shares of common stock reserved for future purchases under our employee stock purchase plan.

The approval of the amendment to the articles of incorporation to increase the authorized shares of Common Stock is important for the ongoing business of the Company. Without additional authorized shares of Common Stock, (i) the Company may not be able to raise additional financing which is needed to fund our ongoing clinical and research programs, (ii) the Company may not be able to attract and retain key employees, officers and directors, and (iii) the Company may not be able to make possible strategic acquisitions, although no such acquisitions are currently contemplated.

The increase in the number of authorized shares of Common Stock may be available for our Board to issue in future financings, to provide equity incentive to employees, officers and directors, to make stock-based acquisitions and for other general corporate purposes, and we intend to use the additional shares of Common Stock that will be available to undertake any such issuances. We have no specific plan, commitment, arrangement, understanding or agreement, either oral or written, regarding the issuance of Common Stock subsequent to this proposed increase in the number of authorized shares at this time, and we have not allocated any specific portion of the proposed increase in the authorized number of shares to any particular purpose. The Company is therefore requesting its stockholders approve this proposal to amend its Articles of Incorporation to increase the authorized shares of Common Stock.

Rights of Additional Authorized Shares

Any authorized shares of Common Stock, if and when issued, would be part of our existing class of Common Stock and would have the same rights and privileges as the shares of Common Stock currently outstanding. Our stockholders do not have pre-emptive rights with respect to the Common Stock, nor do they have cumulative voting rights. Accordingly, should the Board issue additional shares of Common Stock, existing stockholders would not have any preferential rights to purchase any of such shares, and their percentage ownership of our then outstanding Common Stock could be reduced.

Potential Adverse Effects of Increase in Authorized Common Stock

Future issuances of Common Stock or securities convertible into Common Stock could have a dilutive effect on our earnings per share, book value per share and the voting power and interest of current stockholders. We could also use the additional shares of common stock that will become available for issuance to oppose a hostile takeover attempt or to delay or prevent changes in control or management of the Company. For example, it may be possible for the Board of Directors to delay or impede a takeover or transfer of control of the Company by causing such additional authorized shares to be issued to holders who might side with the Board of Directors in opposing a takeover bid that the Board of Directors determines is not in the best interests of the Company or its stockholders. The proposed increase in authorized shares of common stock therefore may have the effect of discouraging unsolicited takeover attempts. By potentially discouraging initiation of any such unsolicited takeover attempts, the proposed increase in authorized shares of common stock may limit the opportunity for the Company's stockholders to dispose of their shares at the higher price generally available in takeover attempts or that may be available under a merger proposal. The proposed increase in authorized shares of common stock may have the effect of permitting the Company's current management, including the current Board of Directors, to retain its position, and place it in a better position to resist changes that stockholders may wish to make if they are dissatisfied with the conduct of the Company's business. The Board is not aware of any attempt, or contemplated attempt, to acquire control of the Company, nor is this proposal being presented with the intent that it be used to prevent or discourage any acquisition attempt. However, nothing would prevent the Board from taking any such actions that it deems to be consistent with its fiduciary duties.

Required Vote

Approval of an amendment to our Articles of Incorporation to increase our authorized shares of common stock from 000 to 150,000,000 requires the affirmative vote of the holders of a majority of the issued and outstanding shares of the Company's n stock.

our authorized shares of common stock from 15,000,000 to 150,000,000.**

PROPOSAL NO. 5

APPROVAL OF AMENDMENT TO ARTICLES OF INCORPORATION TO INCREASE THE MAXIMUM SIZE OF THE BOARD

Our Board of Directors has approved, subject to shareholder approval, an amendment to our Articles of Incorporation to increase the maximum size of the Board from nine directors to ten directors. The increase in the maximum size of the Board will become effective upon the filing of the amendment to our Articles of Amendment with the Nevada Secretary of State. If the amendment to increase the maximum size of the Board is approved by shareholders at the Annual Meeting, we intend to file the amendment to our Articles of Incorporation as soon as practicable following the Annual Meeting.

The form of Articles of Amendment to be filed with the Nevada Secretary of State is set forth as **Appendix C** to this proxy statement (subject to any changes required by applicable law and provided that, since Proposal Nos. 4, 5, 6 and/or 7 will result in changes to the Articles of Incorporation, the Company may file one or more amendments with the Nevada Secretary of State to effect multiple approved proposals).

Purpose of the Proposal

The current Board consists of eight directors, and there are no vacancies. All of our current Board members have served since at least 2012 and most have served since at least 2010 (through our predecessor company). We appreciate the long-term stability and service of our directors, but we also recognize that our directors all have numerous other time commitments, and we believe that the ability to add new Board members now will ensure any future Board transitions. The Nominating and Corporate Governance Committee is seeking to identify and evaluate additional independent candidates. We believe that it is advisable to have the ability to expand the Board further, to the proposed maximum of ten, to preserve the flexibility to add other directors if the Nominating and Corporate Governance Committee's process identifies suitable independent candidates whose experience or skills add value to the Board at this time or, in the future, in response to the increasing workload faced by the Board and independent Directors generally.

We continue to adapt to changes in board practices and corporate governance requirements and norms, and these changes increase the demand placed on independent directors. Independent directors, in particular, and boards, in general, are appropriately being asked to devote more time and effort to their board duties. We believe in the value of having effective committees comprised solely of independent directors, and we believe that creating the opportunity for independent directors to focus their time and efforts to those committee assignments which interest them most would ultimately make the committees more effective. At the current size of the Board, three of six independent directors that serve on our Board committees, including our Lead Director, serve on two of our three Board committees of our Board of Directors. We have one director that we consider independent, but was a co-founder of Tonix Pharmaceuticals, Inc. 10 years ago, so Institutional Shareholder Services Inc. forever classifies him as not independent, therefore, that director does not serve on any Board committees. If stockholders approve this proposal and if suitable candidates are identified, we may be able redistribute committee assignments, with the goal of increasing the effectiveness of the committees.

For all of these reasons, we believe that the Board of Directors should have the flexibility to increase its size beyond the current limit of nine directors. We believe that a maximum of ten directors would adequately serve our needs for the foreseeable future, although, at present, the Board does not have any particular plans to increase its size.

Required Vote

Approval of an amendment to our Articles of Incorporation to increase the maximum size of the Board from nine directors to ten directors requires the affirmative vote of the holders of a majority of the issued and outstanding shares of the Company's common stock.

The Board unanimously recommends a vote "FOR" the approval of an amendment to our Articles of Incorporation to increase the maximum size of the Board from nine directors to ten directors.

PROPOSAL NO. 6

APPROVAL OF AMENDMENT TO ARTICLES OF INCORPORATION TO CLARIFY THAT, TO THE FULLEST EXTENT PERMITTED BY NEVADA LAW, OUR DIRECTORS OR OFFICERS SHALL NOT BE PERSONALLY LIABLE TO US OR OUR SHAREHOLDERS FOR DAMAGES FOR BREACH OF SUCH DIRECTOR'S OR OFFICER'S FIDUCIARY DUTY

Our Board has approved, subject to shareholder approval, an amendment to our Articles of Incorporation to clarify that, to the fullest extent permitted by Nevada law, our directors or officers shall not be personally liable to us or our shareholders for damages for breach of such director's or officer's fiduciary duty.

The current phrasing in our Articles of Incorporation closely follows that which is typically used by Delaware corporations, and as such, could inadvertently be interpreted as increasing the potential personal liability of our directors and officers beyond that which is prescribed under the Nevada Revised Statutes. As such, we intend to replace the language in this section to ensure that the provision accomplishes the original intent of limiting, to the fullest extent permitted by Nevada law, the liability of our officers and directors, for breaches of fiduciary duty.

The form of Articles of Amendment to be filed with the Nevada Secretary of State is set forth as **Appendix D** to this proxy statement (subject to any changes required by applicable law and provided that, since Proposal Nos. 4, 5, 6 and/or 7 will result in changes to the Articles of Incorporation, the Company may file one or more amendments with the Nevada Secretary of State to effect multiple approved proposals).

Purpose of the Proposal

The competition to attract and retain qualified persons to serve as directors and officers of a public company is significant. It is customary, and expected, that public companies will limit liability, to the maximum extent permitted by applicable law, of directors and officers for breaches of fiduciary duties. These limitations are not absolute however, as Nevada law prohibits a company from limiting liability in certain situations involving a breach of fiduciary duty. For example, breaches of fiduciary duty involving intentional misconduct, fraud or a knowing violation of law cannot be limited.

It has always been our position that, just like other public companies, our directors and officers would not be liable for breaches of fiduciary duty, except as required by law. In addition to the provision in our Articles of Incorporation, we have provisions in our by-laws that similarly prohibit liability to us and our shareholders for such breaches, except as required by law. This amendment is meant to clarify the current language to ensure that we are providing such limitations as permitted by law.

Required Vote

Approval of an amendment to our Articles of Incorporation to clarify that, to the fullest extent permitted by Nevada law, our directors or officers shall not be personally liable to us or our shareholders for damages for breach of such director's or officer's fiduciary duty requires the affirmative vote of the holders of a majority of the issued and outstanding shares of the Company's common stock.

The Board unanimously recommends a vote "FOR" the approval of an amendment to our Articles of Incorporation to clarify that, to the fullest extent permitted by Nevada law, our directors or officers shall not be personally liable to us or our shareholders for damages for breach of such director's or officer's fiduciary duty.

PROPOSAL NO. 7

APPROVAL OF AMENDMENT TO ARTICLES OF INCORPORATION TO CLARIFY THAT ADVANCEMENT OF EXPENSES IS REQUIRED IN CONNECTION WITH ANY INDEMNIFICATION CLAIM

Our Board has approved, subject to shareholder approval, an amendment to our Articles of Incorporation to clarify that advancement of expenses is required in connection with any indemnification claim.

The current phrasing in our Articles of Incorporation could inadvertently be interpreted as ambiguous with regard to requirements in connection with the advancement of expenses in connection with any indemnification claim. As such, the proposed amendment is intended to revise the language to resolve such potential ambiguity.

The form of Articles of Amendment to be filed with the Nevada Secretary of State is set forth as Appendix E to this proxy statement (subject to any changes required by applicable law and provided that, since Proposal Nos. 4, 5, 6 and/or 7 will result in changes to the Articles of Incorporation, the Company may file one or more amendments with the Nevada Secretary of State to effect multiple approved proposals).

Purpose of the Proposal

The competition to attract and retain qualified persons to serve as directors and officers of a public company is significant. It is customary, and expected, that public companies will indemnify directors and officers in connection with any threatened or filed action, suit, proceeding or investigation that occurs as a result of such person serving as an officer or director. In connection with such indemnification, companies customarily provide for an advancement of expenses in connection with such indemnification claims. As such claims can often take years to be resolved, not providing for advancement of expenses could place an undue burden on our officers and directors as a result of their service to our business. This amendment is meant to clarify the current language to avoid any ambiguity that we will provide for advance of expenses in connection with an indemnification claim.

Required Vote

Approval of an amendment to our Articles of Incorporation to clarify that advancement of expenses is required in connection with any indemnification claim requires the affirmative vote of the holders of a majority of the issued and outstanding shares of the Company's common stock.

The Board unanimously recommends a vote “FOR” the approval of an amendment to our Articles of Incorporation to clarify that advancement of expenses is required in connection with any indemnification claim.

EXECUTIVE COMPENSATION

Compensation Philosophy and Practices

We believe that the performance of our executive officers significantly impacts our ability to achieve our corporate goals. We, therefore, place considerable importance on the design and administration of our executive officer compensation program. This program is intended to enhance stockholder value by attracting, motivating and retaining qualified individuals to perform at the highest levels and to contribute to our growth and success. Our executive officer compensation program is designed to provide compensation opportunities that are tied to individual and corporate performance.

Our compensation packages are also designed to be competitive in our industry. The Compensation Committee from time-to-time consults with compensation consultants, legal counsel and other advisors in designing our compensation program, including in evaluating the competitiveness of individual compensation packages and in relation to our corporate goals.

Our overall compensation philosophy has been to pay our executive officers an annual base salary and to provide opportunities, through cash and equity incentives, to provide higher compensation if certain key performance goals are satisfied. We believe that many of our key practices and programs demonstrate good governance. The main principles of our fiscal year 2016 compensation strategy included the following:

- *An emphasis on pay for performance.* A significant portion of our executive officers' total compensation is variable and at risk and tied directly to measurable performance, which aligns the interests of our executives with those of our stockholders;
- *Performance results are linked to Company and individual performance.* When looking at performance over the year, we equally weigh individual performance as well as that of the Company as a whole. Target annual compensation is positioned to allow for above-median compensation to be earned through an executive officer's and the Company's extraordinary performance;
- *Equity as a key component to align the interests of our executives with those of our stockholders.* Our Compensation Committee continues to believe that keeping executives interests aligned with those of our stockholders is critical to driving toward achievement of long-term goals of both our stockholders and the Company; and
- *Peer group positioning.* While the Compensation Committee considers the level of compensation paid by the companies in our peer group as a reference point that provides a framework for its compensation decisions, in order to maintain competitiveness and flexibility, the Compensation Committee does not target compensation at a particular level relative to the peer group; nor does the Compensation Committee employ a formal benchmarking strategy or rely upon specific peer-derived targets.

In 2016, we also continued practices that demonstrate good governance and careful stewardship of corporate assets, including:

- *Limited personal benefits.* Our executive officers are eligible for the same benefits as our non-executive salaried employees, and they do not receive any additional perquisites.
- *No retirement benefits.* We do not provide our executive officers with a traditional retirement plan, or with any supplemental deferred compensation or retirement benefits.
- *No tax gross-ups.* We do not provide our executive officers with any tax gross-ups.
- *No single-trigger cash change in control benefits.* We do not provide cash benefits to our executives upon a change in control, absent an actual termination of employment.

At our annual meeting in May 2016, we conducted our tri-annual advisory vote on executive compensation, commonly referred to as a "say-on-pay" vote. At that time, approximately 95% of the votes affirmatively cast on the advisory say-on-pay proposal were voted in favor of the compensation of our named executive officers. The Compensation Committee understood this level of approval to indicate strong stockholder support for our executive compensation policies and programs generally, and as a result, our Compensation Committee made no fundamental changes to our executive compensation programs. We will hold our next say-on-pay vote at the 2019 annual meeting. Our Compensation Committee and our Board will consider shareholder feedback through the say-on-pay vote and remains committed to engaging with shareholders and are open to feedback, as described elsewhere in this proxy.

Employment Contracts and Termination of Employment and Change-In-Control Arrangements

Employment Agreement with Seth Lederman

On February 11, 2014, the Company entered into an employment agreement (the “Lederman Agreement”) with Dr. Seth Lederman (“Lederman”) to continue to serve as our President, Chief Executive Officer and Chairman of the Board.

The base salary for Lederman under the Lederman Agreement was \$425,000 per annum. The Lederman Agreement has an initial term of one year and automatically renew for successive one year terms unless either party delivers written notice not to renew at least 60 days prior to the end of the current term.

Pursuant to the Lederman Agreement, if the Company terminates Lederman’s employment without Cause (as defined in the Lederman Agreement) or Lederman resigns for Good Reason (as defined in the Lederman Agreement), Lederman is entitled to the following payments and benefits: (1) his fully earned but unpaid base salary through the date of termination at the rate then in effect, plus all other benefits, if any, under any group retirement plan, nonqualified deferred compensation plan, equity award plan or agreement, health benefits plan or other group benefit plan to which Lederman may be entitled to under the terms of such plans or agreements; (2) a lump sum cash payment in an amount equal to 12 months of his base salary as in effect immediately prior to the date of termination; (3) continuation of health benefits for Lederman and his eligible dependents for a period of 12 months following the date of termination; and (4) the automatic acceleration of the vesting and exercisability of outstanding unvested stock awards as to the number of stock awards that would have vested over the 12-month period following termination had Lederman remained continuously employed by the Company during such period.

Pursuant to the Lederman Agreement, if Lederman’s employment is terminated as a result of death or permanent disability, Lederman or his estate, as applicable, is entitled to the following payments and benefits: (1) his fully earned but unpaid base salary through the date of termination at the rate then in effect; (2) a lump sum cash payment in an amount equal to six months of his base salary as in effect immediately prior to the date of termination; and (3) the automatic acceleration of the vesting and exercisability of outstanding unvested stock awards.

If Lederman is terminated without Cause or resigns for Good Reason during the period commencing 90 days prior to a Change in Control (as defined below) or 12 months following a Change in Control, Lederman shall be entitled to receive, in lieu of the severance benefits described above, the following payments and benefits: (1) a lump sum cash payment in an amount equal to 36 months of his base salary as in effect immediately prior to the date of termination, except that, if and while Lederman is still entitled to the Sale Bonus (as defined below), it will only be 18 months; (2) continuation of health benefits for Lederman and his eligible dependents for a period of 24 months following the date of termination, except that, if and while Lederman is still entitled to the Sale Bonus it will only be 12 months; and (3) the automatic acceleration of the vesting and exercisability of outstanding unvested stock awards.

If during the term of the Lederman Agreement or within 120 days after Lederman is terminated without Cause or resigns for Good Reason, following a Change in Control, the Company consummates a Change in Control transaction in which the Enterprise Value (as defined below) equals or exceeds \$50 million, Lederman shall be entitled to receive a lump sum payment equal to 4.4% of the Enterprise Value (the “Sale Bonus”). The Sale Bonus provision of the Lederman Agreement will terminate upon the Company granting Lederman long-term incentive compensation mutually agreed to by the Board and Lederman.

For purposes of the Lederman Agreement, “Cause” generally means (1) commission of an act of fraud, embezzlement or dishonesty or some other illegal act that has a demonstrable material adverse impact on the Company or any successor or affiliate of the Company, (2) conviction of, or entry into a plea of “guilty” or “no contest” to, a felony, (3) unauthorized use or disclosure of the Company’s confidential information or trade secrets or any successor or affiliate of the Company that has, or may reasonably be expected to have, a material adverse impact on any such entity; (4) gross negligence, failure to follow a material, lawful and reasonable request of the Board or material violation of any duty of loyalty to the Company or any successor or affiliate of the Company, or any other demonstrable material willful misconduct by Lederman, (5) ongoing and repeated failure or refusal to perform or neglect of his duties as required by his employment agreement, which failure, refusal or neglect continues for 30 days following Lederman’s receipt of written notice from the Board stating with specificity the nature of such failure, refusal or neglect, provided that such failure to perform is not as a result of illness, injury or medical incapacity, or (6) material breach of any Company policy or any material provision of the Lederman Agreement.

For purposes of the Lederman Agreement, “Good Reason” generally means (1) a material diminution in Lederman’s title, authority, duties or responsibilities, (2) a material diminution in Lederman’s base compensation, unless such a reduction is imposed across-the-board to the Company’s senior management, and such reduction is not greater than 15%, (3) a material change in the geographic location at which Lederman must perform his duties, (4) any other action or inaction that constitutes a material breach by the Company or any successor or affiliate of the Company’s obligations to Lederman under the Lederman Agreement, or (5) the Company elects not to renew the Lederman Agreement for another term.

For purposes of the Lederman Agreement, “Change in Control” generally means:

- A transaction or series of transactions (other than public offerings) that results in any person or entity or related group of persons or entities (other than the Company, its subsidiaries, an employee benefit plan maintained by the Company or any of its subsidiaries or a person or entity that, prior to such transaction, directly or indirectly controls, is controlled by, or is under common control with, the Company) of beneficial ownership (within the meaning of Rule 13d-3 under the Exchange Act) of more than 40% of the total combined voting power of the Company’s securities outstanding immediately after such acquisition;

- (1) a merger, consolidation, reorganization, or business combination or (2) the sale, exchange or transfer of all or substantially all of the Company's assets in any single transaction or series of transactions or (3) the acquisition of assets or stock of another entity, in each case other than a transaction:
 - o which results in the Company's voting securities outstanding immediately before the transaction continuing to represent, directly or indirectly, at least 60% of the combined voting power of the successor entity's outstanding voting securities immediately after the transaction, and
 - o after which no person or group beneficially owns voting securities representing 40% or more of the combined voting power of the Company or its successor; provided, however, that no person or group is treated as beneficially owning 40% or more of combined voting power of the Company or its successor solely as a result of the voting power held in the Company prior to the consummation of the transaction.

For purposes of the Lederman Agreement, "Enterprise Value" generally means (1) in a Change in Control in which consideration is received by the Company, the total cash and non-cash consideration, including debt assumed, received by the Company, net of any fees and expenses in connection with the transaction and (2) in a Change in Control in which consideration is payable to the stockholders of the Company, the total cash and non-cash consideration, including debt assumed, payable to the Company's stockholders net of any fees and expenses in connection with the transaction. Enterprise Value also includes any cash or non-cash consideration payable to the Company or to the Company's stockholders on a contingent, earnout or deferred basis.

Employment Agreement with Gregory Sullivan

On June 3, 2014, the Company entered into an employment agreement (the "Sullivan Agreement") with Dr. Gregory Sullivan ("Sullivan") to serve as our Chief Medical Officer. The base salary for Sullivan under the Sullivan Agreement was \$225,000 per annum. The Sullivan Agreement had an initial term of one year and automatically renews for successive one year terms unless either party delivers written notice not to renew at least 60 days prior to the end of the current term.

Pursuant to the Sullivan Agreement, if the Company terminates Sullivan's employment without Cause (as defined below) or Executive resigns for Good Reason (as defined below), Sullivan is entitled to the following payments and benefits: (1) his fully earned but unpaid base salary through the date of termination at the rate then in effect, plus all other benefits, if any, under any group retirement plan, nonqualified deferred compensation plan, equity award plan or agreement, health benefits plan or other group benefit plan to which Sullivan may be entitled to under the terms of such plans or agreements; (2) a lump sum cash payment in an amount equal to 12 months of his base salary as in effect immediately prior to the date of termination; (3) continuation of health benefits for Sullivan and his eligible dependents for a period of 12 months following the date of termination; and (4) the automatic acceleration of the vesting and exercisability of outstanding unvested stock awards as to the number of stock awards that would have vested over the 12-month period following termination had Sullivan remained continuously employed by the Company during such period.

Pursuant to the Sullivan Agreement, if Sullivan's employment is terminated as a result of death or permanent disability, Sullivan or his estate, as applicable, is entitled to his fully earned but unpaid base salary through the end of the month in which termination occurs at the rate then in effect.

For purposes of the Sullivan Agreement, "Cause" generally means (1) commission of an act of fraud, embezzlement or dishonesty or some other illegal act that has a demonstrable material adverse impact on the Company or any successor or affiliate of the Company, (2) conviction of, or entry into a plea of "guilty" or "no contest" to, a felony, (3) unauthorized use or disclosure of the Company's confidential information or trade secrets or any successor or affiliate of the Company that has, or may reasonably be expected to have, a material adverse impact on any such entity, (4) gross negligence, failure to follow a material, lawful and reasonable request of the Company or material violation of any duty of loyalty to the Company or any successor or affiliate of the Company, or any other demonstrable material misconduct by Sullivan, (5) ongoing and repeated failure or refusal to perform or neglect of his duties as required by his employment agreement, which failure, refusal or neglect continues for 30 days following Sullivan's receipt of written notice from the Company stating with specificity the nature of such failure, refusal or neglect, or (6) material breach of any Company policy or any material provision of the Sullivan Agreement.

For purposes of the Sullivan Agreement, "Good Reason" generally means (1) a material diminution in Executive's title, authority, duties or responsibilities, (2) a material diminution in the executive officer's base compensation, unless such a reduction is imposed across-the-board to the Company's senior management and such reduction is not greater than 15%, (3) a material change in the geographic location at which the executive officer must perform his duties, (4) any other action or inaction that constitutes a material breach by the Company or any successor or affiliate of the Company's obligations to Sullivan under the Agreement, or (5) the Company elects not to renew the Agreement for another term.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

We have adopted a written related-person transactions policy that sets forth our policies and procedures regarding the identification, review, consideration and oversight of “related-party transactions.” For purposes of our policy only, a “related-party transaction” is a transaction, arrangement or relationship (or any series of similar transactions, arrangements or relationships) in which we and any “related party” are participants involving an amount that exceeds \$120,000.

Transactions involving compensation for services provided to us as an employee, consultant or director are not considered related-person transactions under this policy. A related party is any executive officer, director or a holder of more than five percent of our common stock, including any of their immediate family members and any entity owned or controlled by such persons.

Under the policy, where a transaction has been identified as a related-party transaction, our Chief Compliance Officer must present information regarding the proposed related-party transaction to our Nominating and Corporate Governance Committee for review. The presentation must include a description of, among other things, the material facts, the direct and indirect interests of the related parties, the benefits of the transaction to us and whether any alternative transactions are available. To identify related-party transactions in advance, we rely on information supplied by our executive officers, directors and certain significant stockholders. In considering related-party transactions, our Nominating and Corporate Governance Committee will take into account the relevant available facts and circumstances including, but not limited to:

- whether the transaction was undertaken in the ordinary course of our business;
- whether the related party transaction was initiated by us or the related party;
- whether the transaction with the related party is proposed to be, or was, entered into on terms no less favorable to us than terms that could have been reached with an unrelated third party;
- the purpose of, and the potential benefits to us from the related party transaction;
- the approximate dollar value of the amount involved in the related party transaction, particularly as it relates to the related party;
- the related party’s interest in the related party transaction, and
- any other information regarding the related party transaction or the related party that would be material to investors in light of the circumstances of the particular transaction.

The Nominating and Corporate Governance Committee shall then make a recommendation to the Board, who will determine whether or not to approve of the related party transaction, and if so, upon what terms and conditions. In the event a director has an interest in the proposed transaction, the director must recuse himself or herself from the deliberations and approval.

Other than as disclosed below, during the last two fiscal years, there have been no related party transactions.

On February 3, 2015, we entered into an underwriting agreement for an offering of common stock with a group of underwriters, including Janney Montgomery Scott LLC. Charles Mather, one of our directors, was a Managing Director of Janney until February 2015.

PROPOSALS OF SHAREHOLDERS FOR THE 2018 ANNUAL MEETING

If you want to submit a proposal for inclusion in our proxy statement for the 2018 Annual Meeting of shareholders, you may do so by following the procedures in Rule 14a-8 under the Securities Exchange Act of 1934, as amended (the “Exchange Act”). To be eligible for inclusion, shareholder proposals (other than nominees for directors) must be received at the Company’s principal executive office, at the following address: 509 Madison Avenue, Suite 306, New York, New York 10022, Attention: Secretary, no later than [*], 2017 (120 days before the anniversary of this year’s mailing date).

Under Rule 14a-4 promulgated under the Exchange Act, if a proponent of a proposal that is not intended to be included in the proxy statement fails to notify us of such proposal at least 45 days prior to the anniversary of the mailing date of the preceding year’s proxy statement, then we will be allowed to use our discretionary voting authority under proxies solicited by us when the proposal is raised at such Annual Meeting of shareholders, without any discussion of the matter in the proxy statement.

In addition, our Amended and Restated Bylaws contain an advance notice provision that requires that all business proposed by a shareholder that will be conducted or considered at a meeting must meet notice requirements. For business to be properly submitted by a shareholder for a vote at an Annual Meeting, the shareholder must (i) be a shareholder of record as of the record date for the meeting, (ii) be entitled to vote at the meeting, and (iii) have given timely notice in writing of the proposal to be submitted by the shareholder for a vote. The shareholder’s notice must be delivered to the Secretary at the Company’s principal executive office. To be timely, a shareholder’s notice must be received by the Secretary at least 60 calendar days before the date corresponding to the date for the annual meeting in the preceding year, and no more than 90 calendar days before that date; provided, however, if the date of the annual meeting is changed by more than 30 calendar days from the date corresponding to the date of the preceding year’s Annual Meeting, or if we did not hold an annual meeting in the preceding year, then the shareholder’s notice will be considered timely if it is received by the Secretary at least (a) 60 calendar days before the date for the annual meeting to be held or 10 calendar days following the date on which public announcement of the date for the annual meeting is first made by the Company, and (b) no more than 90 calendar days before the date for the Annual Meeting.

A shareholder’s notice to the Secretary must set forth as to each matter the shareholder proposes to bring before the annual meeting: (i) a description in reasonable detail of the business desired to be brought before the annual meeting and the reasons for conducting such business at the annual meeting, (ii) the name and address, as they appear on the Company’s books, of the shareholder proposing such business and of the beneficial owner, if any, on whose behalf the proposal is made, (iii) such information regarding each director nominee or each matter of business to be proposed by such shareholder as would be required to be included in a proxy statement filed pursuant to the proxy rules of the U. S. Securities and Exchange Commission, or the SEC, had the nominee been nominated, or intended to be nominated, or the matter been proposed, or intended to be proposed by the Board; (iv) if applicable, the consent of each nominee to be named in the proxy statement and to serve as director of the Company if so elected; (v) the class and number of shares of the Company that are owned beneficially and of record by the shareholder proposing such business and by the beneficial owner, if any, on whose behalf the proposal is made, and (vi) any material interest of such shareholder proposing such business and the beneficial owner, if any, on whose behalf the proposal is made in such business.

OTHER BUSINESS

The Board knows of no business to be brought before the Annual Meeting other than as set forth above. If other matters properly come before the shareholders at the meeting, it is the intention of the persons named on the proxy to vote the shares represented thereby on such matters in accordance with their judgment.

By Order of the Board of Directors,

/s/ SETH LEDERMAN

Seth Lederman

TONIX PHARMACEUTICALS HOLDING CORP. 2017 STOCK INCENTIVE PLAN (effective [*, 2017, subject to stockholder approval])

1 General

1.1 **Purpose.** The purposes of the Tonix Pharmaceuticals Holding Corp. 2017 Stock Incentive Plan (the “Plan”) is to promote the interests of Tonix Pharmaceuticals Holding Corp. (the “Company”) and the stockholders of the Company by providing (i) executive officers and other employees of the Company and its Subsidiaries (as defined below), (ii) certain advisors who perform services for the Company and its Subsidiaries and (iii) non-employee members of the Board of Directors of the Company (the “Board”) with appropriate incentives and rewards to encourage them to enter into and continue in the employ and service of the Company and to acquire a proprietary interest in the long-term success of the Company, as well as to reward the performance of these individuals in fulfilling their personal responsibilities for long-range and annual achievements.

1.2 **Effective Date and Term.** The Plan will become effective upon the date it is approved by the stockholders of the Company (the “Effective Date”). Unless terminated earlier by the Committee, the Plan will expire on the tenth (10th) anniversary of the Effective Date.

1.3 **Definitions.** Capitalized terms in the Plan, unless defined elsewhere in the Plan, shall be defined as set forth below:

1934 Act. The term “1934 Act” shall mean the Securities Exchange Act of 1934, as amended, including the rules and regulations promulgated thereunder and any successor thereto.

Affiliated Company. The term “Affiliated Company” means any company, partnership, association, organization or other entity controlled by, controlling or under common control with the Company.

The term “Cash-Based Award” means a right or other interest granted to an Eligible Grantee under Section 4.2(vi) of the Plan that may be denominated or payable in cash, other than an Award pursuant to which the amount of cash is determined by reference to the value of a specific number of shares of Stock.

Change of Control. The term “Change of Control” shall be deemed to occur if and when:

- (i) any person, including a “person” as such term is used in Section 14(d)(2) of the 1934 Act (a “Person”), is or becomes a beneficial owner (as such term is defined in Rule 13d-3 under the 1934 Act), directly or indirectly, of securities of the Company representing 50% or more of the combined voting power of the Company’s then outstanding securities;
- (ii) individuals who, as of the Effective Date, constitute the Board (the “Incumbent Board”) cease for any reason to constitute at least a majority of the Board; provided, however, that any individual becoming a director subsequent to the Effective Date whose election, or nomination for election by the Company’s stockholders, was approved by a vote of at least a majority of the directors then comprising the Incumbent Board shall be considered as though such individual were a member of the Incumbent Board, but excluding for this purpose any such individual whose initial assumption of office occurs as a result of either an actual or threatened election contest (as such terms are used in Rule 14a-11 of Regulation 14A promulgated under the 1934 Act) or other actual or threatened solicitation of proxies or consents by or on behalf of a Person other than the Board;
- (iii) all or substantially all of the assets of the Company are sold, transferred or distributed, or the Company is dissolved or liquidated; or

- (iv) a reorganization, merger, consolidation or other corporate transaction involving the Company (a "Transaction") is consummated, in each case, with respect to which the stockholders of the Company immediately prior to such Transaction do not, immediately after the Transaction, own more than 50% of the combined voting power of the Company or other corporation resulting from such Transaction in substantially the same respective proportions as such stockholders' ownership of the voting power of the Company immediately before such Transaction.

Notwithstanding the foregoing or any other provision of this Plan, the term Change of Control shall not include a sale of assets, merger or other transaction effected exclusively for the purpose of changing the domicile of the Company. For the avoidance of doubt, solely with respect to any Award that constitutes "deferred compensation" subject to Section 409A of the Code and that is payable on account of a Change of Control (including any installments or stream of payments that are accelerated on account of a Change of Control), a Change of Control shall occur only if such event also constitutes a "change in the ownership", "change in effective control", and/or a "change in the ownership of a substantial portion of assets" of the Company as those terms are defined under Treasury Regulation §1.409A-3(i)(5), but only to the extent necessary to establish a time or form of payment that complies with Section 409A of the Code, without altering the definition of Change of Control for purposes of determining whether a Grantee's rights to such Award become vested or otherwise unconditional upon the Change of Control.

Any change of characterization of an individual by the Internal Revenue Service or any court or government agency shall have no effect upon the classification of an individual as an Employee for purposes of this Plan, unless the Committee determines otherwise.

Fair Market Value. For purposes of determining the "Fair Market Value" of a share of Stock as of any date, the "Fair Market Value" as of that date shall be, unless otherwise determined by the Committee, the closing sale price during regular trading hours of the Stock on the date on the principal securities market in which shares of Stock is then traded; or, if there were no trades on that date, the closing sale price during regular trading hours of the Stock on the first trading day prior to that date. If the Stock is not publicly traded at the time a determination of Fair Market Value is required to be made hereunder, the determination of such amount shall be made by the Committee in such manner as it deems appropriate.

Any of the above Performance Goals may be compared to the performance of a selected group of comparison companies, or a published or special index that the Committee, in its sole discretion, deems appropriate, or as compared to various stock market indices. Subject to the limitations in Section 4.2, the Committee in its sole discretion may designate additional business criteria on which the Performance Goals may be based or adjust, or modify or amend the aforementioned business criteria. The relative weights of the criteria that comprise the Performance Goals shall be determined by the Committee in its sole discretion. In establishing the Performance Goals for a performance period, the Committee may establish different Performance Goals for individual Grantees or groups of Grantees. Subject to the limitations in Section 4.2(ix)(d), the Committee in its sole discretion shall have the authority to make equitable adjustments to the Performance Goals in recognition of unusual or non-recurring events affecting the Company or any Subsidiary of the Company or any Affiliated Company or the financial statements of the Company or any Subsidiary of the Company or any Affiliated Company, in response to changes in applicable laws or regulations, including changes in generally accepted accounting principles or practices, or to account for items of gain, loss or expense determined to be extraordinary or unusual in nature or infrequent in occurrence or related to the disposal of a segment of a business, as applicable. Performance Goals may include a threshold level of performance below which no Award will be earned, a level of performance at which the target amount of an Award will be earned and a level of performance at which the maximum amount of the Award will be earned.

Restricted Stock. The term “Restricted Stock” means an Award of shares of Stock to an Eligible Grantee under Section 4.2(iii) that may be subject to certain restrictions and to a risk of forfeiture. Subsidiary. The term “Subsidiary” means any present or future subsidiary corporation of the Company within the meaning of Section 424(f) of the Code, and any present or future business venture designated by the Committee in which the Company has a significant interest, including, without limitation, any subsidiary corporation in which the Company has at least a 50% ownership interest, as determined in the discretion of the Committee.

2 Administration

2 . 1 **Committee.** The authority to manage the operation of and administer the Plan shall be vested in a committee (the “Committee”) in accordance with this Section 2. The Committee shall be selected by the Board, and shall consist solely of two or more members of the Board who are non-employee directors within the meaning of Rule 16b-3 and are outside directors within the meaning of Section 162(m) of the Code. Unless otherwise determined by the Board, the Company’s Compensation Committee shall be designated as the “Committee” hereunder.

2.2 **Powers of the Committee.** The Committee’s administration of the Plan shall be subject to the following:

- (i) Subject to the provisions of the Plan, the Committee will have the authority and discretion to select from among the Eligible Grantees those persons who shall receive Awards, to determine the time or times of receipt, to determine the types of Awards and the number of shares covered by the Awards, and to establish the terms, conditions, performance criteria, restrictions, and other provisions of such Awards;
- (ii) The Committee will have the authority and discretion to interpret the Plan, to establish, amend, and rescind any rules and regulations relating to the Plan, to determine the terms and provisions of any Award Agreement made pursuant to the Plan, and to make all other determinations that may be necessary or advisable for the administration of the Plan;
- (iii) Any interpretation of the Plan by the Committee and any decision made by it under the Plan is final and binding on all persons; and

- (iv) In managing the operation of and administering the Plan, the Committee shall take action in a manner that conforms to the articles of incorporation and by-laws of the Company, and applicable state corporate law.

2.3 Prohibition Against Repricing. Other than pursuant to Section 3.3, the Committee shall not, without the approval of the Company's stockholders, (a) lower the option price per share of an Option or SAR after it is granted, (b) cancel an Option or SAR when the exercise price per Share exceeds the Fair Market Value of one share in exchange for cash or another Award (other than in connection with a Change of Control), or (c) take any other action with respect to an Option or SAR that would be treated as a repricing under the rules and regulations of the principal U.S. national securities exchange on which the Company's shares are then listed.

2.4 Delegation of Authority. To the extent not inconsistent with applicable law, the rules of the NASDAQ Stock Market or other provisions of the Plan, the Committee may, at any time, allocate all or any portion of its responsibilities and powers to any one or more of its members or, with respect to Awards made to Employees other than executive officers, the Chief Executive Officer, including without limitation, the power to designate Grantees hereunder and determine the amount, timing and terms of Awards hereunder. Any such allocation or delegation may be revoked by the Committee at any time.

2.5 Indemnification. Each person who is or shall have been a member of the Committee, or the Board, shall be indemnified and held harmless by the Company against and from any loss, cost, liability or expense that may be imposed upon or reasonably incurred by him or her in connection with or resulting from any claim, action, suit or proceeding to which he or she may be a party or in which he or she may be involved by reason of any action taken in good faith or failure to act in good faith under the Plan and against and from any and all amounts paid by him or her in settlement thereof, with the Company's approval, or paid by him or her in satisfaction of any judgment in any such action, suit or proceeding against him or her, provided he or she shall give the Company an opportunity, at its own expense, to handle and defend the same before he or she undertakes to handle and defend it on his or her own behalf. The foregoing right of indemnification shall be in addition to any other rights of indemnification or elimination of liability to which such persons may be entitled under the Company's articles of incorporation or by-laws, as a matter of law, or otherwise, or any power that the Company may have to indemnify them or hold them harmless.

2.6 Minimum Vesting Requirement for Awards. Notwithstanding any other provision of the Plan to the contrary and subject to the immediately following proviso, equity-based Awards granted under the Plan shall vest no earlier than the first anniversary of the date the Award is granted; *provided, however*, that the Committee may grant Awards without regard to the foregoing minimum vesting requirement with respect to a maximum of five percent (5%) of the available Shares authorized for issuance under the Plan pursuant to Section 3.1 (subject to adjustment under Section 3.4). For the avoidance of doubt, this Section 2.6 shall not be construed to limit the Committee's discretion to provide for accelerated exercisability or vesting of an Award, including in cases of death, Disability or a Change of Control.

2.7 Treatment of Dividends and Dividend Equivalents on Unvested Awards. Notwithstanding any other provision of the Plan to the contrary, with respect to any Award that provides for or includes a right to dividends or dividend equivalents, if dividends are declared during the period that an equity Award is outstanding, such dividends (or dividend equivalents) shall either (i) not be paid or credited with respect to such Award or (ii) be accumulated but remain subject to vesting requirement(s) to the same extent as the applicable Award and shall only be paid at the time or times such vesting requirement(s) are satisfied. In no event shall dividends or dividend equivalents be paid with respect to Options or Stock Appreciation Rights.

3 Available Shares of Stock Under the Plan

3.1 Shares Available for Awards. Subject to the adjustments described in Section 3 herein, the maximum number of shares of Stock reserved for the grant of Awards under the Plan shall be 1,280,000, less one (1) share for every one (1) share that was subject to an option or stock appreciation right granted after March 31, 2017 under any Prior Plan and 1.15 shares for every one (1) share that was subject to an award other than an option or stock appreciation right granted after March 31, 2017 under any Prior Plan. Any shares of Stock that are subject to Options or SARs shall be counted against this limit as one (1) share for every one (1) share granted, and any shares of Stock that are subject to Awards other than Options or SARs shall be counted against this limit as 1.15 shares for every one (1) share granted. After the Effective Date of the Plan (as provided in Section 1.2), no awards may be granted under any Prior Plan.

3.2 **Forfeited, Cancelled and Expired Awards.** Awards granted under the Plan, and awards outstanding after March 31, 2017 under any Prior Plan, that are forfeited, expire or are canceled or settled without issuance of Stock shall not count against the maximum number of shares that may be issued under the Plan as set forth in Section 3.1 and shall be available for future Awards under the Plan. Any Stock that again becomes available for Awards under the Plan pursuant to this Section 3.2 shall be added as (i) one (1) share for every one (1) share subject to Options or SARs granted under the Plan or options or stock appreciation rights granted under any Prior Plan, and (ii) as 1.15 shares for every one (1) share subject to Awards other than Options or Stock Appreciation Rights granted under the Plan or awards other than options or stock appreciation rights granted under any Prior Plan.

3.3 **Prohibition on Share Recycling.** Notwithstanding anything to the contrary, any and all Stock that is (i) withheld or tendered in payment of an Option (or in payment of an option under any Prior Plan) exercise price; (ii) withheld by the Company or tendered by the Grantee to satisfy any tax withholding obligation with respect to any Award (or any award under any Prior Plan); (iii) covered by a SAR (or a stock appreciation right under any Prior Plan) (in each case, to the extent that it is settled in Stock, without regard to the number of shares of Stock that are actually issued to the Grantee upon exercise); (iv) reacquired by the Company on the open market or otherwise using cash proceeds from the exercise of Options (or options under any Prior Plan), shall not be added to the maximum number of shares of Stock that may be issued under the Plan as set forth in Section 3.1.

3.4 **Adjustments.** In the event of any change in the Company's capital structure, including but not limited to a change in the number of shares of Stock outstanding, on account of (i) any stock dividend, stock split, reverse stock split or any similar equity restructuring, or (ii) any combination or exchange of equity securities, merger, consolidation, recapitalization, reorganization, or divestiture or any other similar event affecting the Company's capital structure, to reflect such change in the Company's capital structure, the Committee shall make appropriate equitable adjustments to (a) the maximum number of shares of Stock that may be issued under the Plan as set forth in Section 3.1, (b) the number of shares of Stock issuable upon outstanding Awards, (c) any individual Award limitations or restrictions, as applicable, and (d) the exercise price and any performance conditions applicable to outstanding Awards. In the event of any extraordinary dividend, divestiture or other distribution (other than ordinary cash dividends) of assets to stockholders, or any transaction or event described above, to the extent necessary to prevent the enlargement or diminution of the rights of Grantees, the Committee shall make appropriate equitable adjustments to the number or kind of shares subject to an outstanding Award, the exercise price applicable to an outstanding Award, and/or a Performance Goals. Any adjustments under this Section 3.4 shall be consistent with Section 409A or Section 424 of the Code, to the extent applicable, and made in a manner that does not adversely affect the exemption provided pursuant to Rule 16b-3 or qualification under Section 162(m) of the Code, to the extent each may be applicable. The Company shall give each Grantee notice of an adjustment to an Award hereunder and, upon notice, such adjustment shall be final, binding and conclusive for all purposes. Notwithstanding the foregoing, the Committee shall decline to adjust any Award made to a Grantee if such adjustment would violate applicable law.

3.5 **Fractional Shares.** The Company shall not be obligated to issue any fractional shares of Stock in settlement of Awards granted under the Plan. Except as otherwise provided in an Award Agreement or determined by the Committee, (i) the total number of shares issuable pursuant to the exercise, vesting or earning of an Award shall be rounded down to the nearest whole share, and (ii) no fractional shares shall be issued. The Committee may, in its discretion, determine that a fractional share shall be settled in cash.

3.6 **Substitute Awards; Plans of Acquired Companies .** Substitute Awards shall not count against the maximum number of shares that may be issued under the Plan as set forth in Section 3.1. In addition, shares of Stock issued in connection with awards that are assumed, converted or substituted as a result of the acquisition of another company by the Company or any Subsidiary of the Company (including by way of merger, combination or similar transaction) will not count against the number of shares of Stock that may be issued under the Plan. Available shares under a stockholder-approved plan of an acquired company (as appropriately adjusted to reflect the transaction) may be used for Awards under the Plan and do not reduce the maximum number of shares available for grant under the Plan, subject to applicable stock exchange requirements.

4 Awards

4.1 **General.** The term of each Award shall be for such period as may be determined by the Committee, subject to the limitations set forth below. Subject to the terms of the Plan and any applicable Award Agreement, payments to be made by the Company or any Subsidiary of the Company upon the grant, maturation, or exercise of an Award may be made in such forms as the Committee shall determine at the date of grant or thereafter, including, without limitation, cash, Stock, or other property. In addition to the foregoing, the Committee may impose on any Award or the exercise thereof, at the date of grant, such additional terms and conditions not inconsistent with the provisions of the Plan, including, but not limited to forfeiture and clawback provisions, as the Committee shall determine; provided, however, that any such terms and conditions shall not be inconsistent with Section 409A of the Code.

4.2 **Types of Awards** . The Committee is authorized to grant the Awards described in this Section 4.2, under such terms and conditions as deemed by the Committee to be consistent with the purposes of the Plan. Such Awards may be granted with value and payment contingent upon Performance Goals. Each Award shall be evidenced by an Award Agreement containing such terms and conditions applicable to such Award as the Committee shall determine.

- (i) *Options*. The Committee is authorized to grant Options to Grantees on the following terms and conditions:
- a. Type of Award. The Award Agreement evidencing an Option shall designate the Option as either an ISO or an NQSO, as determined in the discretion of the Committee. At the time of the grant of Options, the Committee may place restrictions on the exercisability or vesting of Options that shall lapse, in whole or in part, upon the passage of time and/or attainment of Performance Goals.
 - b. Exercise Price. The exercise price of each Option granted under this Section 4.2 shall be established by the Committee or shall be determined by a method established by the Committee at the time the Option is granted; provided, however, that the exercise price shall not be less than 100% of the Fair Market Value of a share of Stock on the date of grant of the Award. Notwithstanding the foregoing, the exercise price of any Substitute Awards may be issued at any such price as the Committee determines necessary in order to preserve for such newly Eligible Grantee the economic value of all or a portion of such acquired entity award.
 - c. Exercise. Upon satisfaction of the applicable conditions relating to vesting and exercisability, as determined by the Committee and set forth in the Award Agreement, and upon provision for the payment in full of the exercise price and applicable taxes due, the Grantee shall be entitled to exercise the Option and receive the number of shares of Stock issuable in connection with the Option exercise provided, however, that no Option may be exercised more than ten years after its grant date. Except as set forth in Section 4.3, no NQSO granted hereunder may be exercised after the earlier of (A) the expiration of the NQSO or (B) unless otherwise provided by the Committee in an Award Agreement, ninety days after the severance of an NQSO holder's employment or service with the Company or any Subsidiary. The shares issued in connection with the Option exercise may be subject to such conditions and restrictions as the Committee may determine, from time to time. An Option may be exercised by any method as may be permitted by the Committee from time to time, including but not limited to any "net exercise" or other "cashless" exercise method.
 - d. Restrictions Relating to ISOs. In addition to being subject to the terms and conditions of this Section 4.2(i), ISOs shall comply with all other requirements under Section 422 of the Code. Accordingly, ISOs may be granted only to Eligible Grantees who are employees (as described in Treasury Regulation Section 1.421-7(h)) of the Company or of any "Parent Corporation" (as defined in Code Section 424(e)) or of any "Subsidiary Corporation" (as defined in Code Section 424(f)) on the date of grant. The aggregate Fair Market Value (determined as of the time the ISO is granted) of the Stock with respect to which ISOs (under all option plans of the Company and of any Parent Corporation and of any Subsidiary Corporation) are exercisable for the first time by an Eligible Grantee during any calendar year shall not exceed \$100,000. ISOs shall not be transferable by the Eligible Grantee otherwise than by will or the laws of descent and distribution and shall be exercisable, during the Eligible Grantee's lifetime, only by such Eligible Grantee. The Committee shall not grant ISOs to any Employee who, at the time the ISO is granted, owns stock possessing (after the application of the attribution rules of Section 424(d) of the Code) more than ten percent (10%) of the total combined voting stock of the Company or of any Parent Corporation or of any Subsidiary Corporation, unless the exercise price of the ISO is fixed at not less than one hundred and ten percent (110%) of the Fair Market Value of a share of Common Stock on the date of grant and the exercise of such ISO is prohibited by its terms after the fifth (5th) anniversary of the ISO's date of grant. In addition, no ISO shall be issued to an Eligible Grantee in tandem with a NQSO issued to such Eligible Grantee in accordance with Treasury Regulation Section 14a.422A-1, Q/A-39.
- (ii) *SARs*. The Committee is authorized to grant SARs to Grantees on the following terms and conditions:
- a. In General. SARs may be granted independently or in tandem with an Option at the time of grant of the related Option. An SAR granted in tandem with an Option shall be exercisable only to the extent the underlying Option is exercisable. Payment of an SAR may be made in cash, Stock, or a combination of the foregoing, as specified in the Award Agreement or determined in the sole discretion of the Committee. At the time of the grant of SARs, the Committee may place restrictions on the exercisability or vesting of SARs that shall lapse, in whole or in part, upon the passage of time and/or the attainment of Performance Goals.

- b. Term and Exercisability of SARs. SARs shall be exercisable over the exercise period at such times and upon such conditions as the Committee may determine, as reflected in the Award Agreement; provided, however, that no SAR may be exercised more than ten years after its grant date. Except as set forth in Section 4.3, no SAR granted hereunder may be exercised after the earlier of (A) the expiration of the SAR or (B) unless otherwise provided by the Committee in an Award Agreement, ninety days after the severance of an SAR holder's employment or service with the Company or any Subsidiary.
 - c. Payment. An SAR shall confer on the Grantee a right to receive an amount with respect to each share of Stock subject thereto, upon exercise thereof, equal to the excess of (A) the Fair Market Value of one share of Stock on the date of exercise over (B) the grant price of the SAR (which in the case of an SAR granted in tandem with an Option shall be equal to the exercise price of the underlying Option, and which in the case of any other SAR shall be such price as the Committee may determine but in no event shall be less than the Fair Market Value of a share of Stock on the date of grant of such SAR). An SAR may be exercised by giving written notice of such exercise to the Committee or its designated agent.
- (iii) *Restricted Stock*. The Committee is authorized to grant Restricted Stock to Grantees on the following terms and conditions:
- a. Issuance and Restrictions. Restricted Stock shall be subject to such restrictions on transferability and other restrictions, if any, as the Committee may impose at the date of grant, which restrictions may lapse separately or in combination at such times, under such circumstances, in such installments, or otherwise, as the Committee may determine. The Committee may place restrictions on Restricted Stock that shall lapse, in whole or in part, upon the passage of time and/or attainment of Performance Goals. Except to the extent restricted under the Award Agreement relating to the Restricted Stock, a Grantee granted Restricted Stock shall have all of the rights of a stockholder including, without limitation, the right to vote Restricted Stock and the right to receive dividends thereon.
 - b. Certificates for Stock. Restricted Stock granted under the Plan may be evidenced in such manner as the Committee shall determine. If certificates representing Restricted Stock are registered in the name of the Grantee, such certificates shall bear an appropriate legend referring to the terms, conditions, and restrictions applicable to such Restricted Stock, and the Company may retain physical possession of the certificate.
 - c. Dividends. The Committee may not provide for the current payment of dividends for Restricted Stock; for such Awards, dividends may accrue, but shall not be payable, unless and until the Award vests. Stock distributed in connection with a stock split or stock dividend shall be subject to the transfer restrictions, forfeiture risks and vesting conditions to the same extent as the Restricted Stock with respect to which such Stock or other property has been distributed.
- (iv) *Restricted Stock Units*. The Committee is authorized to grant Restricted Stock Units to Grantees, subject to the following terms and conditions:
- a. Conditions to Vesting. At the time of the grant of Restricted Stock Units, the Committee may place restrictions on Restricted Stock Units that shall lapse, in whole or in part, upon the passage of time and/or attainment of Performance Goals.
 - b. Benefit Upon Vesting. Unless otherwise provided in an Award Agreement, upon the vesting of a Restricted Stock Unit, there shall be delivered to the Grantee, within 30 days of the date on which such Award (or any portion thereof) vests, the number of shares of Stock equal to the number of Restricted Stock Units becoming so vested.

- c. Dividend Equivalents. To the extent provided in an Award Agreement, and subject to Section 2.7 and the requirements of Section 409A of the Code, an Award of Restricted Stock Units may provide the Grantee with the right to receive dividend equivalent payments with respect to Stock subject to the Award, which payments may be settled in cash or Stock, as determined by the Committee. Any such settlements and any crediting of dividend equivalents may, at the time of grant of the Restricted Stock Unit, be made subject to the transfer restrictions, forfeiture risks, vesting and conditions of the Restricted Stock Units and subject to such other conditions, restrictions and contingencies as the Committee shall establish at the time of grant of the Restricted Stock Unit, including the reinvestment of such credited amounts in Stock equivalents, provided that all such conditions, restrictions and contingencies shall comply with the requirements of Section 409A of the Code.
- (v) *Other Stock-Based Awards*. The Committee is authorized to grant Awards to Grantees in the form of Other Stock-Based Awards, as deemed by the Committee to be consistent with the purposes of the Plan. At the time of the grant of Other Stock-Based Awards, the Committee may place restrictions on the payout or vesting of Other Stock-Based Awards that shall lapse, in whole or in part, upon the passage of time and/or attainment of Performance Goals. The Committee shall determine the terms and conditions of such Awards at the date of grant. Other Stock-Based Awards may not be granted with the right to receive dividend equivalent payments.
- (vi) *Cash-Based Awards*. The Committee is authorized to grant Awards to Grantees in the form of Cash-Based Awards, as deemed by the Committee to be consistent with the purposes of the Plan. At the time of the grant of Cash-Based Awards, the Committee may place restrictions on the payout or vesting of Cash-Based Awards that shall lapse, in whole or in part, upon the passage of time and/or attainment of Performance Goals. The Committee shall determine the terms and conditions of such Awards at the date of grant.
- (vii) *Settlement of Options and SARs*. Shares of Stock delivered pursuant to the exercise of an Option or SAR shall be subject to such conditions, restrictions and contingencies as the Committee may establish in the applicable Award Agreement. Settlement of SARs may be made in shares of Stock (valued at their Fair Market Value at the time of exercise), in cash, or in a combination thereof, as determined in the discretion of the Committee and set forth in the Award Agreement. The Committee, in its discretion, may impose such conditions, restrictions and contingencies with respect to shares of Stock acquired pursuant to the exercise of an Option or an SAR as the Committee determines to be desirable.
- (viii) *Vesting; Additional Terms*. Subject to Section 2.6 and except as provided in Section 4.3, Awards granted hereunder shall vest as determined by the Committee and set forth in the Award Agreement. The term of any Award granted under the Plan will not exceed ten years from the date of grant.
- (ix) *Qualified Performance-Based Compensation*.
- a. The Committee may determine that Restricted Stock, Restricted Stock Units, Other Stock-Based Awards or Cash-Based Awards granted to a Covered Employee shall be considered “qualified performance-based compensation” under Section 162(m) of the Code, in which case the provisions of this Section 4.2(ix) shall apply. As required pursuant to Section 162(m) of the Code and the regulations promulgated thereunder, the Committee’s authority to grant new awards that are intended to qualify as performance-based compensation within the meaning of Section 162(m) of the Code (other than qualifying Options and qualifying SARs) shall terminate upon the first meeting of the Company’s stockholders that occurs in the fifth year following the year in which the Company’s stockholders first approve this Plan.
- b. When Awards are made under this Section 4.2(ix), the Committee shall establish in writing (i) the objective Performance Goals that must be met, (ii) the period during which performance will be measured, (iii) the maximum amounts that may be paid if the Performance Goals are met, and (iv) any other conditions that the Committee deems appropriate and consistent with the requirements of Section 162(m) of the Code for “qualified performance-based compensation.” The Performance Goals shall satisfy the requirements for “qualified performance-based compensation,” including the requirement that the achievement of the goals be substantially uncertain at the time they are established and that the Performance Goals be established in such a way that a third party with knowledge of the relevant facts could determine whether and to what extent the Performance Goals have been met. The Committee shall not have discretion to increase the amount of compensation that is payable, but may reduce the amount of compensation that is payable, pursuant to Awards identified by the Committee as “qualified performance-based compensation.”

- c. Performance Goals must be pre-established by the Committee. A Performance Goal is considered pre-established if it is established in writing not later than 90 days after the commencement of the period of service to which the Performance Goal relates, provided that the outcome is substantially uncertain at the time the Committee actually established the goal. However, in no event will a Performance Goal be considered pre-established if it is established after 25% of the period of service (as scheduled in good faith at the time the goal is established) has elapsed.
- d. The Committee in its sole discretion shall have the authority to make adjustments to the Performance Goals in recognition of events affecting the Company or any Subsidiary of the Company or any Affiliated Company or the financial statements of the Company or any Subsidiary of the Company or any Affiliated Company, for the following items: (1) asset write-downs; (2) litigation or claim judgments or settlements; (3) the effect of changes in tax laws, accounting principles, regulations, or other laws or regulations affecting reported results; (4) any reorganization and restructuring programs, including discontinued operations; (5) acquisitions or divestitures; (6) unusual, infrequently occurring, nonrecurring or extraordinary items identified in the Company's audited financial statements, including footnotes; (7) any reorganization or change in the corporate or capital structures of the Company; (8) foreign exchange gains and losses; (9) business interruption events; (10) annual incentive payments or other bonuses; or (11) capital charges, provided such adjustment occurs in writing not later than 90 days after the commencement of the period of service to which the Performance Goal relates (and in no event later than the date that 25% of the period of service has elapsed). In addition, the Committee may specify that certain equitable adjustments to the Performance Goals will be made during the applicable Performance Period, provided such specification occurs in writing not later than 90 days after the commencement of the period of service to which the Performance Goal relates (and in no event later than the date that 25% of the period of service has elapsed).
- e. The Committee shall certify the performance results for the performance period specified in the Award Agreement after the performance period ends. The Committee shall determine the amount, if any, to be paid pursuant to each Award based on the achievement of the Performance Goals and the satisfaction of all other terms of the Award Agreement. Subject to adjustment as provided in Section 3.4, the following limits will apply to Awards of the specified type granted to any one Grantee in any single fiscal year:
 - i. Appreciation Awards – Options and SARs: 750,000 shares;
 - ii. Full Value Awards – Awards (other than Options and SARs) that are denominated in Shares: 500,000 shares; and
 - iii. Cash Awards – Awards that are denominated in cash: \$5,000,000.

In applying the foregoing limits, (a) all Awards of the specified type granted to the same Grantee in the same fiscal year will be aggregated and made subject to one limit; (b) the limits applicable to Options and SARs refer to the number of shares of Stock subject to those Awards; (c) the share limit under clause (ii) refers to the maximum number of shares of Stock that may be delivered under an Award or Awards of the type specified in clause (ii) assuming a maximum payout; (d) the dollar limit under clause (iii) refers to the maximum dollar amount payable under an Award or Awards of the type specified in clause (iii) assuming a maximum payout, (e) the respective limits for Awards of the type specified in clause (ii) and clause (iii) are only applicable to Awards that are intended to comply with the performance-based exception under Section 162(m) of the Code, (f) if the Committee determines to settle a full-value Award specified in clause (ii) in cash, the maximum aggregate amount of cash that may be paid pursuant to such Awards to any Participant in a fiscal year shall be equal to the per share Fair Market Value as of the relevant payment or settlement date multiplied by the number of Shares set forth in clause (ii), and (g) each of the specified limits in clauses (i), (ii) and (iii) is multiplied by two (2) for Awards granted to a Grantee in the year employment commences.

- f. The Committee may provide in the Award Agreement that Awards under this Section 4.2(ix) shall be payable, in whole or in part, in the event of the Grantee's death or Disability, or under other circumstances consistent with the Treasury regulations and rulings under Section 162(m) of the Code.
- (x) *Automatic Extended Exercisability in Certain Cases.* Notwithstanding the foregoing provisions of this Section, if the date an Award would otherwise terminate is a date that the Grantee is prohibited from exercising the Award under the Company's insider trading policy or such other conditions under applicable securities laws as the Committee shall specify, the term of the Award shall be extended to the second business day after the Grantee is no longer so prohibited from exercising the Award, but in no event shall the Award be extended beyond the original stated term of the Award.

4.3 **Change of Control of the Company.**

- (i) The Committee may, at the time an Award is made or at any time prior to, coincident with or after the time of a Change of Control:
- a. provide for the adjustment of any Performance Goals as the Committee deems necessary or appropriate to reflect the Change of Control;
 - b. provide for the cancellation of any Awards then outstanding if the surviving entity or acquiring entity (or the surviving or acquiring entity's parent company) in the Change of Control replaces the Awards with new rights of substantially equivalent value, as determined by the Committee. For an Award to be validly assumed by a successor for purpose of this Section 4.3(b), it must (x) provide such Grantee with rights and entitlements substantially equivalent to or better than the rights, terms and conditions applicable under such Award, including, but not limited to, an identical or better exercise or vesting schedules; (y) have substantially equivalent value to such Award (determined at the time of the Change of Control); and (z) be based on stock that is traded on an established U.S. securities market or an established securities market outside the United States upon which the Grantees could readily trade the stock without administrative burdens or complexities. In the event of any ambiguity or discrepancy, the determination of the Committee shall be final and binding;
 - c. provide that upon an involuntary termination of a Grantee's employment as a result of a Change of Control, any time periods shall accelerate, and any other conditions relating to the vesting, exercise, payment or distribution of an Award shall be waived; or
 - d. provide that Awards shall be purchased for an amount of cash equal to the amount that could have been obtained for the shares covered by a Restricted Stock Award if it had been vested and or by an Option or SAR if it had been exercised at the time of the Change of Control, provided however that Awards outstanding as of the date of the Change of Control may be cancelled and terminated without payment if the consideration payable with respect to one share of Stock in connection with the Change of Control is less than the exercise price or grant price applicable to such Award, as applicable.

4.4 **Limitation on Award Grants to Non-Employee Directors** . The maximum number of shares of Stock subject to Awards granted during a single fiscal year to any non-employee director, taken together with any cash fees paid to such non-employee director during the fiscal year, shall not exceed \$350,000 in total value (calculating the value of any such Awards based on the grant date fair value of such Awards for financial reporting purposes); *provided*, that the Board may make exceptions to this limit for individual non-employee directors in extraordinary circumstances as the Board may determine in its sole discretion, so long as the aggregate limit does not exceed \$500,000 in total value during a fiscal year.

5 **Operation**

5.1 **Duration**. Grants may be made under the Plan through [*], 2027. In the event of Plan termination while Awards remain outstanding, the Plan shall remain in effect as long as any Awards under it are outstanding, although no further grants may be made following Plan termination.

5.2 **Uncertificated Stock**. Nothing contained in the Plan shall prohibit the issuance of Stock on an uncertificated basis, to the extent allowed by the Company's Articles of Incorporation and Bylaws, by applicable law and by the applicable rules of any stock exchange.

5.3 **Tax Withholding**. All distributions under the Plan are subject to withholding of all applicable taxes, and the Committee may condition the delivery of any shares or other benefits under the Plan on satisfaction of the applicable withholding obligations. The Committee, in its discretion, and subject to such requirements as the Committee may impose prior to the occurrence of such withholding, may permit such withholding obligations to be satisfied through cash payment by the Grantee, through the surrender of shares of Stock which the Grantee already owns, through withholding from other compensation payable to the Grantee or through the surrender of unrestricted shares of Stock to which the Grantee is otherwise entitled under the Plan, but only to the extent of the minimum amount required to be withheld under applicable law (or, if permitted by the Company, such other withholding rate as will not cause adverse accounting consequences and is permitted under applicable IRS withholding rules).

5 . 4 **Use of Shares.** Subject to the limitations on the number of shares of Stock that may be delivered under the Plan, the Committee may use available shares of Stock as the form of payment for compensation, grants or rights earned or due under any other compensation plans or arrangements of the Company or a Subsidiary, including the plans and arrangements of the Company or a Subsidiary assumed in business combinations.

5 . 5 **Nontransferability.** Awards granted under the Plan, and during any period of restriction on transferability, shares of Common Stock issued in connection with the exercise of an Option or a SAR, or vesting of a Restricted Stock Award may not be sold, pledged, hypothecated, assigned, margined or otherwise transferred by a Grantee in any manner other than by will or the laws of descent and distribution, unless and until the shares underlying such Award have been issued, and all restrictions applicable to such shares have lapsed or have been waived by the Committee. No Award or interest or right therein shall be subject to the debts, contracts or engagements of a Grantee or his or her successors in interest or shall be subject to disposition by transfer, alienation, anticipation, pledge, encumbrance, assignment or any other means whether such disposition be voluntary or involuntary or by operation of law, by judgment, lien, levy, attachment, garnishment or any other legal or equitable proceedings (including bankruptcy and divorce), and any attempted disposition thereof shall be null and void, of no effect, and not binding on the Company in any way. Notwithstanding the foregoing, the Committee may permit Options and/or shares issued in connection with an Option or a SAR exercise that are subject to restrictions on transferability, to be transferred one time and without payment or consideration to a member of a Grantee's immediate family or to a trust or similar vehicle for the benefit of a Grantee's immediate family members. During the lifetime of a Grantee, all rights with respect to Awards shall be exercisable only by such Grantee or, if applicable pursuant to the preceding sentence, a permitted transferee.

5 . 6 **Form and Time of Elections.** Unless otherwise specified herein, each election required or permitted to be made by any Grantee or other person entitled to benefits under the Plan, and any permitted modification, or revocation thereof, shall be in writing filed with the Committee at such times, in such form, and subject to such restrictions and limitations, not inconsistent with the terms of the Plan, as the Committee shall require.

5.7 **Agreement with Company.** An Award under the Plan shall be subject to such terms and conditions, not inconsistent with the Plan, as the Committee shall, in its sole discretion, prescribe. The terms and conditions of any Award to any Grantee shall be reflected in such form of written document as is determined by the Committee. A copy of such document shall be provided to the Grantee, and the Committee may, but need not, require that the Grantee shall sign a copy of such document. Such document is referred to in the Plan as an "Award Agreement" regardless of whether any Grantee signature is required.

5 . 8 **Gender and Number.** Where the context admits, words in any gender shall include any other gender, words in the singular shall include the plural and the plural shall include the singular.

5.9 **Limitation of Implied Rights.**

- (ii) The Plan shall at all times be unfunded and neither a Grantee nor any other person shall, by reason of participation in the Plan, acquire any right in or title to any assets, funds or property of the Company or any Subsidiary whatsoever, including, without limitation, any specific funds, assets, or other property which the Company or any Subsidiary, in its sole discretion, may set aside in anticipation of a liability under the Plan. Nothing contained in the Plan and no action taken pursuant hereto shall create or be construed to create a fiduciary relationship between the Company and any Grantee or any other person. A Grantee shall have only a contractual right to the Stock or amounts, if any, payable under the Plan, unsecured by any assets of the Company or any Subsidiary, and nothing contained in the Plan shall constitute a guarantee that the assets of the Company or any Subsidiary shall be sufficient to pay any benefits to any person.
- (iii) The Plan does not constitute a contract of employment or service, and selection as a Grantee will not give any participating Employee, Non-Employee Director or Key Advisor the right to be retained in the employ or service of the Company or any Subsidiary, nor any right or claim to any benefit under the Plan, unless such right or claim has specifically accrued under the terms of the Plan. Except as otherwise provided in the Plan or the Award Agreement, no Award under the Plan shall confer upon the holder thereof any rights as a stockholder of the Company prior to the date on which the individual fulfills all conditions for receipt of such rights.

5.10 **Section 409A.** It is intended that all Options and SARs granted under the Plan shall be exempt from the provisions of Section 409A of the Code and that all other Awards under the Plan, to the extent that they constitute “non-qualified deferred compensation” within the meaning of Section 409A of the Code, will comply with Section 409A of the Code (and any regulations and guidelines issued thereunder). The Plan and any Award Agreements issued hereunder may be amended in any respect deemed by the Board or the Committee to be necessary in order to preserve compliance with Section 409A of the Code. Notwithstanding anything in this Plan to the contrary, if required by Section 409A of the Code, if a Grantee is considered a “specified employee” for purposes of Section 409A of the Code and if payment of any Award under this Plan is required to be delayed for a period of six months after “separation from service” within the meaning of Section 409A of the Code, payment of such Award shall be delayed as required by Section 409A of the Code, and the accumulated amounts with respect to such Award shall be paid in a lump sum payment within ten days after the end of the six month period. If the Grantee dies during the postponement period prior to the payment of benefits, the amounts withheld on account of Section 409A of the Code shall be paid to the Grantee’s beneficiary within sixty (60) days after the date of the Grantee’s death. For purposes of Section 409A of the Code, each payment under the Plan shall be treated as a separate payment. In no event shall a Grantee, directly or indirectly, designate the calendar year of payment. To the extent that any provision of the Plan would cause a conflict with the requirements of section 409A of the Code, or would cause the administration of the Plan to fail to satisfy the requirements of Section 409A of the Code, such provision shall be deemed null and void to the extent permitted by applicable law. Notwithstanding anything in the Plan or any Award Agreement to the contrary, each Grantee shall be solely responsible for the tax consequences of Awards under the Plan, and in no event shall the Company have any responsibility or liability if an Award does not meet any applicable requirements of Section 409A of the Code. Although the Company intends to administer the Plan to prevent taxation under Section 409A of the Code, the Company does not represent or warrant that the Plan or any Award complies with any provision of federal, state, local or other tax law.

5.11 **Regulations and Other Approvals.**

- (i) The obligation of the Company to sell or deliver Stock with respect to any Award granted under the Plan shall be subject to all applicable laws, rules and regulations, including all applicable federal and state securities laws, and the obtaining of all such approvals by governmental agencies as may be deemed necessary or appropriate by the Committee.
- (ii) Each Award is subject to the requirement that, if at any time the Committee determines, in its absolute discretion, that the listing, registration or qualification of Stock issuable pursuant to the Plan is required by any securities exchange or under any state or federal law, or the consent or approval of any governmental regulatory body is necessary or desirable as a condition of, or in connection with, the grant of an Award or the issuance of Stock, no such Award shall be granted or payment made or Stock issued, in whole or in part, unless listing, registration, qualification, consent or approval has been effected or obtained free of any conditions not acceptable to the Committee.
- (iii) In the event that the disposition of Stock acquired pursuant to the Plan is not covered by a then current registration statement under the Securities Act and is not otherwise exempt from such registration, such Stock shall be restricted against transfer to the extent required by the Securities Act of 1933, as amended, or regulations thereunder, and applicable state securities laws, and the Committee may require a Grantee receiving Stock pursuant to the Plan, as a condition precedent to receipt of such Stock, to represent to the Company in writing that the Stock acquired by such Grantee is acquired for investment only and not with a view to distribution.
- (iv) With respect to persons subject to section 16 of the 1934 Act, it is the intent of the Company that the Plan and all transactions under the Plan comply with all applicable provisions of Rule 16b-3.
- (v) All Awards under the Plan will be subject to any compensation, clawback and recoupment policies that may be applicable to the employees of the Company, as in effect from time to time and as approved by the Board or Committee, whether or not approved before or after the Effective Date. Subject to the requirements of applicable law, any such compensation, clawback and recoupment policies shall apply to Awards made after the effective date of the policy.

5.12 **Non-Employee Director Award Deferrals.** The Committee may permit a Non-Employee Director to defer receipt of the payment of cash or the delivery of shares that would otherwise be due to such Non-Employee Director in connection with any Restricted Stock, Restricted Stock Units, Other Stock-Based Awards or Cash-Based Awards. If any such deferral election is permitted, the Committee shall establish rules and procedures for such deferrals and may provide for interest or other earnings to be paid on such deferrals, which rules and procedures shall be consistent with applicable requirements of Section 409A of the Code. Unless otherwise specified in a Non-Employee Director's valid election, any deferred amount will be deferred until the earliest to occur of the Non-Employee Director's death, separation from service, or Change of Control; provided that any such deferral election is made by the Non-Employee Director on or prior to December 31 of the calendar year preceding the calendar year in which any such amounts are earned, or, if such Non-Employee Director is newly eligible for purposes of Section 409A of the Code, then within 30 days following the date he or she is first eligible, and then only with respect to amounts earned after the date of the election.

6 Amendment and Termination

The Plan may be terminated or amended by the Board at any time, except that the following actions may not be taken without stockholder approval:

- (i) any increase in the number of shares that may be issued under the Plan (except by certain adjustments provided for under the Plan);
- (ii) any change in the class of persons eligible to receive ISOs under the Plan;
- (iii) any change in the requirements of Sections 4.2(i)(b) and 4.2(ii)(c) hereof regarding the exercise price of Options and the grant price of SARs;
- (iv) any repricing or cancellation and regrant of any Option or, if applicable, other Award at a lower exercise, base or purchase price, as set forth in Section 2.3; or
- (v) any other amendment to the Plan that would require approval of the Company's stockholders under applicable law, regulation or rule or stock exchange listing requirement.

Notwithstanding any of the foregoing, adjustments pursuant to Section 3 shall not be subject to the foregoing limitations of this Section 6.

7 Governing Law

The Plan and all Award Agreements entered into under the Plan shall be construed in accordance with and governed by the laws of the State of New York, except that any principles or provisions of New York law that would apply the law of another jurisdiction (other than applicable provisions of U.S. Federal law) shall be disregarded. Notwithstanding the foregoing, matters with respect to indemnification, delegation of authority under the Plan, and the legality of shares of Stock issued under the Plan, shall be governed by the Nevada Revised Statutes.

8 Severability

If any of the provision of this Plan is finally held to be invalid, illegal or unenforceable (whether in whole or in part), such provision shall be deemed modified to the extent, but only to the extent, of such invalidity, illegality or unenforceability and the remaining provisions shall not be affected thereby; provided that, if any such provision is finally held to be invalid, illegal or unenforceable because it exceeds the maximum scope determined to be acceptable to permit such provision to be enforceable, such provision shall be deemed modified to the minimum extent necessary in order to make such provision enforceable.

9 Clawback and Noncompete

Notwithstanding any other provisions of this Plan, any Award which is subject to recovery under any law, government regulation, stock exchange listing requirement, or Company policy, will be subject to such deductions and clawback as may be required to be made pursuant to such law, government regulation or stock exchange listing requirement, or any policy adopted by the Company whether pursuant to any such law, government regulation or stock exchange listing requirement or otherwise. In addition and notwithstanding any other provisions of this Plan, any Award shall be subject to such noncompete provisions under the terms of the Agreement or any other agreement or policy adopted by the Company, including, without limitation, any such terms providing for immediate termination and forfeiture of an Award if and when a Participant becomes an employee, agent or principal of a competitor without the express written consent of the Company.
