TAMANDARE EXPLORATIONS INC.
(AN EXPLORATION STAGE COMPANY)
NOTES TO UNAUDITED FINANCIAL STATEMENTS

NOTE 1. BASIS OF PRESENTATION

The accompanying unaudited interim financial statements of Tamandare Explorations Inc. ("Tamandare" or the "Company") have been prepared in accordance with accounting principles generally accepted in the United States of America and the rules of the Securities and Exchange Commission, and should be read in conjunction with the audited financial statements and notes thereto contained in Tamandare's Form 10-K filed with SEC. In the opinion of management, all adjustments, consisting of normal recurring adjustments, necessary for a fair presentation of financial position and the results of operations for the interim periods presented have been reflected herein. The results of operations for interim periods are not necessarily indicative of the results to be expected for the full year. Notes to the financial statements which would substantially duplicate the disclosure contained in the audited financial statements for fiscal 2010 as reported in the Form 10-K have been omitted.

NOTE 2. GOING CONCERN

These financial statements have been prepared on a going concern basis, which implies Tamandare will continue to realize its assets and discharge its liabilities in the normal course of business. Tamandare has never generated revenues since inception and is unlikely to generate earnings in the immediate or foreseeable future. The continuation of Tamandare as a going concern is dependent upon the continued financial support from its shareholders, the ability of Tamandare to obtain necessary equity financing to continue operations, and the attainment of profitable operations. As of June 30, 2011, Tamandare has accumulated losses since inception. These factors raise substantial doubt regarding Tamandare's ability to continue as a going concern. These financial statements do not include any adjustments to the recoverability and classification of recorded asset amounts and classification of liabilities that might be necessary should Tamandare be unable to continue as a going concern.

NOTE 3. RELATED PARTY TRANSACTIONS

As of June 30, 2011, \$10,000 is owed to David Moss, President, from funds loaned by him to the Company and is non-interest bearing with no specific repayment terms.

5

ITEM 2. MANAGEMENT'S DISCUSSION AND ANALYSIS OR PLAN OF OPERATION

This section of this report includes a number of forward-looking statements that reflect our current views with respect to future events and financial performance. Forward-looking statements are often identified by words like: believe, expect, estimate, anticipate, intend, project and similar expressions, or words which, by their nature, refer to future events. You should not place undue certainty on these forward-looking statements, which apply only as of the date of our report. These forward-looking statements are subject to certain risks and uncertainties that could cause actual results to differ materially from historical results or our predictions. We are an exploration stage company and have not yet generated or realized any revenues.

BUSINESS

We are an exploration stage company with no revenues and a limited operating history. Our independent auditor has issued an opinion which includes a statement expressing substantial doubt as to our ability to continue as a going concern.

We carried out exploration on the Que 1-4 property located in the west central area of the State of Nevada, southwest of the Town of Tonopah. Phase 1 was completed in December 2008 and in April 2009 further fill-in MMI sampling was carried out. Based on the findings the company decided to abandon the property and is now investigating other opportunities to best utilize our remaining capital. This may include procuring another mineral property for exploration.

PLAN OF OPERATION

Our plan of operation for the next twelve months is to secure a new property for exploration or other potential business opportunities that might be available to the Company. There can be no assurances that we will be able to secure a new property for exploration or find other available business opportunities, nor can there be any certainties of the business industry of the opportunity that might be available nor any indication of the financial resources required of any possible business opportunity. If we are unable to secure another property for exploration or alternatively, find another business opportunity, our shareholders will lose some or all of their investment and our business will likely fail.

RESULTS OF OPERATIONS

We are still in our exploration stage and have generated no revenues to date. Our net loss from inception through June 30, 2011 was \$77,713.

We incurred operating expenses of \$1,516 and \$2,402 for the three months ended June 30, 2011 and 2010, respectively. These expenses consisted of general operating expenses and professional fees incurred in connection with the day to day operation of our business.

6

We incurred operating expenses of \$7,031 and \$8,224 for the six months ended June 30, 2011 and 2010, respectively. These expenses consisted of general operating expenses and professional fees incurred in connection with the day to day operation of our business.

Cash provided by financing activities for the period from inception (November 16, 2007) through June 30, 2011 was \$75,000, of which \$15,000 was from the sale of 3,000,000 shares of common stock to a director of the company for \$0.005 per share and \$50,000 represents stock subscriptions received from an "all or nothing" offering which was completed on October 8, 2008. The remaining \$10,000 was a loan from our director.

LIQUIDITY AND CAPITAL RESOURCES

Our cash balance at June 30, 2011 was \$747 with \$13,460 in outstanding liabilities. Of the outstanding liabilities we have a \$10,000 loan from our director. We are an exploration stage company and have generated no revenue to date. Management believes that our current cash balance and loans from our director will allow us to operate for the next 12 months.

ITEM 4. CONTROLS AND PROCEDURES

(a) Evaluation of disclosure controls and procedures.

The Company's Chief Executive Officer and Principal Accounting Officer participated in an evaluation by management of the effectiveness of the Company's disclosure controls and procedures (as defined in Exchange Act Rules 13a-15(e) and 15d-15(e)) as of June 30, 2011. Based on their participation in that evaluation, the Company's Chief Executive Officer and Principal Accounting Officer concluded that the Company's disclosure controls and procedures were not effective as of June 30, 2011 to ensure that required information is disclosed on a timely basis in its reports filed or furnished under the Exchange Act.

We recognize the importance of internal controls. As we are currently an exploration stage company with limited ongoing financial operations, management is making an effort to mitigate this material weakness to the fullest extent possible. At present this is done by having the Chief Executive Officer review our financial statements, account reconciliations and accounts payable reports that have been prepared by financial consultant for reasonableness. All unexpected results are investigated. At any time, if it appears that any control can be implemented to continue to mitigate such weakness, it will be immediately implemented. As we grow in size and as our finances allow, management will hire sufficient accounting staff and implement appropriate procedures for monitoring and review of work performed by our financial consultant.

(b) Changes in internal control over financial reporting.

There was no change in the Company's internal control over financial reporting (as defined in Exchange Act Rules 13a-15(f) and 15d-15(f)) that occurred during the fiscal quarter ended June 30, 2011 that has materially affected, or is reasonably likely to materially affect, the Company's internal control over financial reporting.

CERTIFICATION OF CHIEF EXECUTIVE OFFICER PURSUANT TO
SECTION 302 OF THE SARBANES-OXLEY ACT

I, David J. Moss, certify that:

1. I have reviewed this quarterly report on Form 10-Q of Tamandare Explorations Inc.;
2. Based on my knowledge, this report does not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements made, in light of the circumstances under which such statements were made, not misleading with respect to the period covered by this report;
3. Based on my knowledge, the financial statements, and other financial information included in this report, fairly present in all material respects the financial condition, results of operations and cash flows of the registrant as of, and for, the periods presented in this report;
4. The registrant's other certifying officer and I are responsible for establishing and maintaining disclosure controls and procedures (as defined in Exchange Act Rules 13a-15(e) and 15d-15(e)) and internal control over financial reporting (as defined in Exchange Act Rules 13a-15(f) and 15d-15(f)) for the registrant and have:
 - a) Designed such disclosure controls and procedures, or caused such disclosure controls and procedures to be designed under our supervision, to ensure that material information relating to the registrant, including its consolidated subsidiaries, is made known to us by others within those entities, particularly during the period in which this report is being prepared;
 - b) Designed such internal control over financial reporting, or caused such internal control over financial reporting to be designed under our supervision, to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles;
 - c) Evaluated the effectiveness of the registrant's disclosure controls and procedures and presented in this report our conclusions about the effectiveness of the disclosure controls and procedures, as of the end of the period covered by this report based on such evaluation; and
 - d) Disclosed in this report any change in the registrant's internal control over financial reporting that occurred during the registrant's most recent fiscal quarter (the registrant's fourth fiscal quarter in the case of an annual report) that has materially affected, or is reasonably likely to materially affect, the registrant's internal control over financial reporting; and
5. The registrant's other certifying officer and I have disclosed, based on our most recent evaluation of internal control over financial reporting, to the registrant's auditors and the audit committee of the registrant's board of directors (or persons performing the equivalent functions):
 - a) All significant deficiencies and material weaknesses in the design or operation of internal controls over financial reporting which are reasonably likely to adversely affect the registrant's ability to record, process, summarize and report financial information; and
 - b) Any fraud, whether or not material, that involves management or other employees who have a significant role in the registrant's internal control over financial reporting.

IN WITNESS WHEREOF, the undersigned has executed this certification as of the
15th day of August, 2011.
